ST. MARY'S NOTES

Exams! How swiftly they bear down upon us! They have again swept by leaving the girls gasping over their marks. Credit has gone where credit is justly due and all are deliberately closing tired eyes to the semester examinations looming at the end of the six weeks.

The freshmen have at last been relieved of the tense dread that has been their close companion since the beginning of school. They have been initiated! And many found that it was not so bad after all. Every one seems very much alive still!

St. Mary's played their first basket ball game December 13, with St. Stephens. With the first toss up the ball passed rapidly to St. Stephens forwards, displaying the agility of the opposing team. St. Mary's guards did splendid work but the first basket was scored by St. Stephens. However our jumping center got in some good play and three successive baskets were managed by our team. The quarter ended with a score 11-3. The opposing team fought hard but the excellent team work and skill in passes of our girls could not be stopped. Our star-captain Georgette Berrest, scored again and again till the game ended 34 to 13. Hurrah for S.M.I!

Last Friday night several students of S. M. I. received the first basket ball game of S.M.H.S. The game at first appeared a little one-sided in favor of the Comets, the visiting team, but it soon evened up. The score swayed back and forth till the game ended 22 to 23, with S. M. H. S. victor.

"The Comets" is an organized team of the alumni of St. Mary. Their splendid record failed to carry them through with the score however
