HUBER NEWS

Members and their friends who at-
tended the smoker given by the Huber
Commercial Club last Saturday even-
ing enjoyed a rare treat in a pro-
gram of home made fun.

The committee intended to present
something unique and it did. The
crowd furnished most of the fun.

Unlike the ordinary smoker the
program had in it along with boxing
by professionals; singing, a piano
number, some game called, "Off again
on again" (without the Finnigan) and
a blind folded free for all.

Along with a major bout of the
evening several preliminary bouts were
put on by local boys. These bouts
showed up better than was expected
according to the committee. It was
said that some real local talent ex-
isted if time were, but taken to de-
velop it. The most fun of the eve-
ning was derived from contestants
knocking one another from straddle
of a pole with a pillow. Some of
the men who took part in this game
are complaining of sore muscles and
all who saw them must have sore
sides from laughing.

Had the weather been more favor-
able, a record attendance would un-
doubtedly have been had. As it was
many missed a fine evening. The
committee regrets that more did not
brave the weather because the hall
was comfortably warm.

BRICK LAYING HELD UP DUE TO FREEZING WEATHER

Work on the new brick building
at Aloha was interrupted this week
on account of the freezing weather.
All the brick and tile are on hand
and work will be resumed as soon as
the weather permits.

The Aloha hatchery is nearly com-
pleted. Mr. Lippert has received
many orders already for spring deliv-
ery of day old chicks.

terest. Members of the community are
urged to hear Mr. Hovda. Good
singing will be observed at all ser-
vices.

ROAD DISTRICTS TO BE MERGED

Road districts 6 and 3 were con-
solidated this week by the Washing-
ton County Court. This will affect
the road district between Hillsboro

granted the petition of resident tax-
payers of road district 61 asking
that the boundary line of road dis-
tricts 61 and 7 be changed to in-

clude in 61 all that portion of 7
lying immediately north and adjoin-
ing 61. This road is near Aloha.

ALOHA-HUBER SCHOOL

The children have had great fun
in the snow this week throwing
snowballs and making snow men.

grade after a two week's seige with

gress the little beginners have made
since they started to school. Begin-

tra will play, the children will dram-
atize the story of The Three Bears
and will give a pantomime of The
Billy Goats Gruff besides their regu-
lar reading, phonics, and number work.
This will be a very convenient day
for visiting school as the Parent-
Teacher cafeteria is at noon.

The eighth grade has completed one
map project in History showing the
land claimed by the English at the
end of the French and Indian War.
They are working on the map of
Europe now. They are making maps
of Europe prior to 1914 and at the
present time. These maps are for
the purpose of developing the work
of the Peace Conference.

Five pupils are on the honor roll
in the eighth grade, each receiving
A in all subjects at the recent state
tests. The list includes Correne An-

week was home again all this week.

dents, former pupils of this school,
