REBEKAH DISTRICT CONVENTION AT WILSONVILLE

Report of Years Work given by each Lodge—Tigard to be Host Next Year

The Rebekah District Convention No. 29, representing Tigard, Wilsonville, Tualatin and Sherwood lodges met in all day session at Wilsonville February 20. The convention opened promptly at 10 a. m. with Mrs. Anna Kruse of Wilsonville chairman, Mrs. Ida Hite of Tigard vice-chairman and Mrs. Maimie Erickson of Tigard secretary in charge.

The address of welcome by Mrs. Sallie Mathews of Wilsonville and the response by Mrs. Agnes Hite of Sherwood were both well given.

Each of the four lodges gave a good report of their last year's work and progress and each helped finance the new \$750.00 electric dishwasher, call phones connecting the three floors and remodel the kitchen at the I. O. O. F. Home, 32nd and Holgate streets, Portland. They also remembered the old folks and children there at Christmas time with gifts and money.

There was a very good attendance. At roll call Sherwood answered with 13 present; Tigard 15; Wilsonville 15; Tualatin 3. There were also several visitors from Beaverton.

Mrs. Louise A. Perozzi, president of the Rebekah Assembly of Oregon gave a very interesting and instructive talk on Rebekah Odd Fellowship and how our order in Oregon is caring for some 60 old men and 16 old ladies and 20 children.

Mrs. Myrtle Smith, Mrs. Helma Gaarde, Mrs. Albenia Knutson each sang a song and Mrs. Fern Seely favored us with a reading which was enjoyed by all present.

The convention will meet with Tigard next year with Mrs. Ida Hite as chairman, Mrs. Nellie Cole as vice-chairman, Mrs. Amelia Peters secretary and Mrs. Sarah Van Kleek treasurer.

TIGARD.

EVANGELICAL CHURCH NOTES

A missionary institute of the Women's Missionary Society of the Portland area will be held at this church Wednesday, March 13th.

The Sunday School contest is drawing to a close and the result as to what side will win is being keptly watched.

The young people's meetings on Sunday evenings have been of unusual interest of late as is evidenced by the large attendance. After the discussion of the regular topic, two groups are formed and a contest in answering bible questions is conducted.

In the classes of the Young People's Division of the Sunday School a re-adjustment has been effected which it is believed will greatly aid toward perfecting the Sunday School machinery.

The Ladies' Aid Society set apart Tuesday as house cleaning day at the church. A double class room has been tastefully fitted up in which the monthly meetings of the L.A.A. and the W.M.S. will be held. The women's Sunday School Bible Class will also occupy this room.

AUTO INSURANCE AVAILABLE THROUGH C. W. NOYES

C. W. Noyes has completed arrangements with the American Motorists Insurance Company of Chicago to underwrite their insurance. This firm has \$9,000,000 backing. Fire and theft insurance will be handled thru the McMinnville Fire Insurance Co.

RUMORS AFLOAT IN TIGARD OREGON

By Joe Foley, Tigard

The highway will be widened 100 feet from the High School to the end of town some time this summer.

Interested committee who kept their mission a secret were interested in purchasing 100 acres of available land. It is believed they were looking for a site for an airplane base.

Three new homes will be built in the Hoffarber Addition this summer. Also new store, one of which will be occupied by Skaggs. This section is rapidly coming to the front as a city by itself.

A second hand furniture store will be among our latest addition to the business section. Let us hope success accompanies this venturesome enterprise.

Prospects are ever coming to the front. A new laundry site of an acre or two is the latest. But mum is the word as for whom and where.

A space for a modern up to date restaurant has been inquired for by a party from Newberg.

Ten acres for an auto camp site will be occupied this summer if all goes well.

Chicken ranches are in demand from people from various parts of the state. An additional salesman may have to be engaged to plant the new prospects.

Homes for rent are scarce and a big demand is on hand. Houses for sale should be listed as soon as possible, while the rush is on.

A new hotel, modern and up to date, looks like a certainty. Just now it is in the plan and preparations will be advertised later.

Don't forget that Tigard is but ten miles to the city and a twenty minute ride by auto bus or train. Folks in the city are beginning to realize that when it comes to economy Tigard is the place to land.

Gas, water, electric lights and all modern conveniences can be had for the new home seeker. High school, grade school, catholic school, several industries and three churches. Tigard has a pay roll that it is justly proud of.

Noyes real estate office was the scene of a busy time Sunday, February 24. Visitors came in response to places that were advertised. The rumors that were set afloat while listening to inquiries were very encouraging for Tigard this summer. Your little town is now on the verge of a boom. But it needs added impetus to keep it that way. If it goes well and promises are kept then Tigard will come out of its swaddling stage and don its working clothes this year.

REMEMBERS WHEN GAS SOLD FOR 9c

"Yes, gas was sold at Detroit, Mich. for 9c only 21 years ago" said Mr. Griffin of the Griffin Chevrolet Co. at Multnomah. "The Green Sled Oil Co. made the first big cut in the gas war then. Let's hope that gas will not go as low as that again."

During the last week a number of cars have been delivered by the Griffin Chevrolet Co. Mary E. Newton, of 3225 E. 30th st., has a new sedan; Corn Products Co., 607 Porter Bldg., a coach; Frank Garbels, 1093 Vernon avenue, a coupe and Samuel Nagel of 699 Glenn avenue, N a coach.

BIG SALE WALL PAPER AT MULTNOMAH HARDWARE CO.

A big sale of wall paper is announced by the Multnomah Hardware store. The rolls will be 5c and up.

A glance over the 1929 sample book shows greens to be the dominating color. Most of the wall papers are of flowers in delicate hues, the brilliant colors of other years are noticeable by their absence.

This store also carries every need for the "spring housecleaning" which will soon be celebrated by the busy housewives.

Many Strong Tributes to Virtues of Garlic

Garlic is one of the most highly esteemed and heartily despised of vegetables. The ancients praised it with enthusiasm, as a cure for all sorts of bodily ills—among them indigestion, sunstroke, tuberculosis, bronchitis and smallpox. It figures in the Bible: "We remember," the rebellious children of Israel told Moses, "the fish which we did eat in Egypt freely; the cucumbers, and the melons, and the leeks, and the onions, and the garlic."

Historians say that the Pyramids could not have been built but for the garlic fed to the slaves and captives. Pliny says: "I cannot overpass the foolish superstition of the Egyptians who use to swear by Garlic and Onions, calling them to witness in taking their oaths." Garlic a god! The French do not deny it, but as a condiment they seem almost to reverence it. So also, assuredly, do the Italians, to whom it is a necessary of life.—Boston Transcript.
