PRESENCE OF MIND PREVENTS ACCIDENT

The presence of mind of I. L. Morelock of Beaverton prevented a fatal accident at the Tigard grade crossing Saturday evening. Mrs. Florence Miller, daughter of W. M. Brown of Beaverton was at the wheel with Mr. and Mrs. Morelock and Mrs. Brown as passengers. As they approached the crossing a truck in front of them loaded with lumber stopped abruptly, the car in behind jamming them into the truck. The projecting lumber crashing through the wind shield and had Mr. Morelock not held on the lumber with his hands he would have been decapitated. Mrs. Miller quickly put the car into reverse and released his perilous position.

TUALATIN

The beautiful twelve acre tract of land bordering on the Tualatin river and owned by the estate of the late Janie Galbreath is soon to be sold to the highest bidder. Sealed bids are now being received. George Ingelhart, Portland realtor was out Tuesday looking the place over for a prospective bidder. The location is ideal for a number of enterprises.

The A. P. Wentworth property at Durham station is soon to be sold at auction.

Mrs. Annie Finch, of near Grants Pass, mother of Mrs. W. R. Hawshurst is soon to go to Hollywood to be in the movies. Recently, at the Josephine county fair, Mrs. Finch with a party of twenty staged a play entitled, "Sour Dough Gulch." So well received was this production that a film of it is to be made. "Sour Dough Gulch" may come to Portland for the Rose festival if it is financed.

Special music will be a feature of the Mothers Day service at the local church Sunday.

Weather predictions for the coming summer say cool weather and much rain.

W. R. Hawshurst has returned from a business trip to the Klamath Falls country.

Eight tables of "500" were played at the Grange card party last Wednesday night. W. R. Hawshurst and Mrs. Pete Hoffman won high honors and Mrs. E. A. Robinson and H. J. Ibach were consoling.

Tualatin was well represented at the Albers lecture and picture show at the Grange hall at Tigard Tuesday night.

BULB AND CUT FLOWER BUSINESS PROVES SUCCESS

Miss Jessie M. Carson and Mrs. Herbert A. Van Horne, owners and managers of the Raleigh Gardens are making a success of the bulb and cut flower business.

Miss Carson purchased a home and acreage on the Scholls road near the Portland Golf Links at Raleigh Station about three years ago. The first year she planted gladiolus bulbs, specializing in the choice varieties. There was such a demand for her bulbs that she increased her plantings and added regal lily bulbs, several hundred of these she expects to have in bloom at one time this year.

Miss Carson is an auditor and book-keeper and has made a success of this profession, which she still follows when she is not busy with her flowers.

NEW RECIPE BOOKS GIVEN OUT AT MEETING

Miss Pauline Edwards gave a demonstration of jelly making with Certo and gave out new recipe books at the meeting of the Paradise Valley Club Tuesday, at the Fairvale club house. Mrs. M. Rodgers, Mrs. Thomas Georges, Mrs. Fred Stricker, Mrs. F. Dober, Mrs. H. Warnar, Mrs. S. G. Schlotzhauer, Mrs. A. E. Mehn and Mrs. Thomas Lilles were the luncheon hostesses. Mrs. E. Trayle, the president, presided at the business meeting. A number of bags were reported ready for the Good Will Industry. A dinner will be given in honor of the husbands of members Tuesday, June 4, at 6:30 with Mrs. Clem Powell, Mrs. Guy Kenney and Mrs. A. I. Adamson in charge of arrangements.

MAN ESCAPES INJURY FROM STRAY BULLET

A stray bullet probably fired by a boy playing in the neighborhood crashed into the rear window of a sedan driven by Mrs. L. M. Bannister, 22 West Terry Street, Portland, as she and her mother, Mrs. W. A. Wise, 431 E. 12 Street, were passing through Multnomah Tuesday morning.

The shot came from near the filling station operated by S. Houle and if it had not lodged in the upholstery of the car it would have gone through a window in the school, according to Sheriff Keller and Love, who investigated.

W. A. Wise owes his life to the fact that he failed to meet his wife and daughter at the appointed hour as Mrs. Bannister had planned to pick up her father but when he failed to appear drove on. If Mr. Wise had been sitting in the back seat he would have been shot.

Mrs. Hugh Peoples will go to San Francisco to join Mr. Peoples who is in business there.

The "Last Spike" will never
be driven

—Southern Pacific still
building with the West

The 60th anniversary of the driving of the Golden Spike, May 10, Southern Pacific's Golden Jubilee, finds this western railroad still building. Weaponed with crude tools, courage and vision, the early pioneer had hand-carved a way to the new West. With the vision of the pioneer, the West has carried on, and with it, step by step, Southern Pacific has built.

In the last five years Southern Pacific has built more new line than any other railroad in the United States.

In fifteen years Southern Pacific has built 1481 miles of new line at a cost of 88 million dollars. Of this, 40 million dollars has been spent in Northern California and Oregon.

Through the barrier of the mighty Cascades it has created a new north and south railway. It has double-tracked its OVERLAND ROUTE line over the Sierra. A new main line has been built through Arizona. From Wendel, California, to Lakeview, Oregon, has been broad-gauged.

Now Southern Pacific is completing a short line transcontinental railway through Southern Oregon and Northern California. The Cascade line of the SHASTA ROUTE.

Across the desert—direct to Phoenix

Southern Pacific

Fares cut
60% May 10

Roundtrip tickets for 60% of the regular one way fare—Good in Pullmans.

This means that if the one way fare is \$10 you will be able to make the roundtrip for \$6.00.

In effect between any two points on Southern Pacific's Pacific Lines. Minimum roundtrip fare 50 cents.

On sale Friday, May 10. Trip must be started that day. Return limit midnight, Tuesday, May 14.

and the OVERLAND ROUTE will be connected.

From less than 700 miles in 1869 to 16,520 miles today is but one way of recording Southern Pacific's 60 years of work.

Behind this cold fact of miles built is the epic story of the development of the West. A story of progress indelibly written in the traditions of the West.
