INTERESTING ACCOUNT OF TRIP GIVEN BY C. E. HEDGE

(Continued from last week)
We reached Los Angeles O. K. following Saturday followed the route to San Diego and on to Tia Juanita, Mexico, Mexico impression of Mexico is not the All manner of gambling and drugs wide open. It was my first trip of the United States and will probably be my last. The government inspectors at the line asked questions viz: our nationality, Mexican goods and any bottle of We got back to Long Beach "a ... San Francisco trip, supper and on to L. A. San night. On Tuesday we headed over interior or Ridge route, into Yosemite Park. Wednesday stayed in park over night, costing for double cabin and beds for The floor of the park had 4 inches of snow, but the grand scenery is indescribable. There were scores of deer that were cut of our hand. There were many bear and we did not try on so friendly terms with them. back to San Francisco Sunday after a wonderfully interesting. Following Tuesday drove our machine back to Chico then to Beaverton.

General Observations

Many beautiful places south of Francisco and still more south of Angeles. Numerous places have skirted with beautiful palm trees the orange and lemon groves picture that is hard to describe every indication points to progress. In the vineyards around Bakersville and Fresno it don't look good. It was a most wonderful trip but I believe if made one month it would be better. I have been in since 1887 and am content to 30 years more.

C. E. HEDGE

Answering the appeal of women for Beauty and color in the kitchen

More than likely before an informal evening's entertainment ends, guests find their way to the kitchen. Delight them with it's spotless charm and beauty, made possible by the enlivening touch of the Smoothtop gas range.

The SMOOTHTOP Gas Range in color imparts a new charm, a colorful gaiety and cheer, providing women with a new medium for the expression of taste and the creation of distinctive and beautiful kitchen decorative effects and makes possible the kitchen of your dreams.

Imagine the delightful beauty of having your curtains, your kitchen, your floor covering and GAS RANGE all in one splendid harmonious color combination.

Other than the mere beauty of appearance the Smoothtop in color equipped with ovenheat control, brings a scientific exactness of cooking temperature, so necessary to the proper preparation of tempting food dishes.

See this beautiful modern range demonstrated at the "Enterprise Cooking Matinees conducted by Elizabeth Reger and Grace Anderson at the Beaver Theatre, Beaverton, Oregon Tuesday, May 14th, and Thursday, May 16th at 2:30 sharp
