

Herewith you have a pictorial journey through The Oaks Amusement Park, Portland's popular Joyland-on-the-Willamette, now celebrating its 25th annual birthday season with a matchless array of attractions. Everything worth while in the line of perfect outdoor entertainment is on exhibition this season in the resort.

Upper left—Gladway scene showing the merry mixup and the ferris wheel rides whirling a score of patrons to ecstatic happiness. Upper right—The Scenic Railway with a cruising car about to take the sensational giant dip. Center left—the zip, funland's supreme thriller that is quite the fastest contraption man has made for this hemisphere. Center right—the dodgem and the mystery show where the lady walks on a sidewalk. They are both popular attractions. Lower left—The miniature railway with the Bollingers, Edward H. and Robert, at the managerial throttle. Lower right—gladway scene looking north just after the afternoon free show. Now if you can't have a good time in The Oaks it isn't the management's fault! The park is open daily from 10 a. m. onward and free shows are offered seven days a week at 2:30 and 8:30, the weather permitting. Let's go to The Oaks.

Just another good thing added to the other good things of life

CAMEL CIGARETTES

WHY CAMELS ARE THE BETTER CIGARETTE

Camels contain such tobaccos and such blending as have never been offered in any other cigarette.

They are made of the choicest Turkish and American tobaccos grown.

Camels are always smooth and mild.

Camel quality is jealously maintained . . . by the world's largest organization of expert tobacco men . . . it never varies.

Smoke Camels as liberally as you choose . . . they will never tire your taste.

Nor do they ever leave an unpleasant after-taste.
