UNIQUE ENTERTAINMENT WILL BE GIVEN BY C. E. S.

On Friday evening, June 28th the Christian Endeavor society of the Tigard Evangelical church is sponsoring a Hawaiian entertainment to be given at the Tigard public school by Capt. H. C. Boyd, of Eugene.

Before coming to Eugene Captain Boyd was stationed for two years in Hakuia on the Islands of Kauni and Maui and travelled much of the time between them and also visited Molokai the leper island and Honolulu. He took a great many pictures of the innumerable beauty spots which are so plentiful in Aloha land. He also purchased others and had them colored by hand so that they are exact copies of the actual scenes.

These beautiful slides will be projected on the screen accompanied by interesting comments on each. In addition Captain Boyd happens to be a very fine singer and has promised to render several favorite Hawaiian songs just as the natives do each night in the islands, serenade under the palm trees and under each lamp post in the island towns.

These pictures have been shown to capacity crowds in Salem and Eugene. Capt. Boyd is returning from a trip a number of times and right now to San Francisco and Los Angeles where he also thrilled hundreds with this novel program. Tigard is fortunate to have him for an evening and

It seems the Southern Pacific had asked the commission to raise the road bed ten inches at this crossing which would make the highway somewhat higher in that spot. Another letter was to be sent to the Southern Pacific asking them to fill in their right of way next to the crossing so that automobiles unable to stop on the approach of trains they could drive their cars to one side.

All old officers were re-elected for the coming year and are H. B. Tigard, president; E. B. Nedry, vice-president; C. W. Noyes, secretary and J. Rankin treasurer.
