Remarkable Six-Cylinder Engine
Chevrolet's remarkable six-cylinder engine impresses you most vividly by its sensationally smooth performance. At every speed you enjoy that silent, velvet-like flow of power which is characteristic of the truly fine automobile!

Beautiful Fisher Bodies
With their low, graceful, sweeping lines and smart silhouette, their ample room for passengers and their sparkling color combinations and rich upholstery—the new Fisher bodies on the Chevrolet Six represent one of Fisher's greatest achievements.

Outstanding Economy
The new Chevrolet Six is an unusually economical car to operate. Not only does it deliver better than twenty miles to the gallon of gasoline, but its oil economy is equal to, if not actually greater than, that of its famous four-cylinder predecessor.

Remarkable Dependability
In order to appreciate what outstanding value the Chevrolet Six represents, it is necessary to remember that it is built to the world's highest standards. In design, in materials and in workmanship—it is every inch a quality car!

Amazing Low Prices
An achievement no less remarkable than the design and quality of the Chevrolet Six is the fact that it is sold at prices so amazingly low! Furthermore, Chevrolet delivered prices include the lowest financing and handling charges available.
