**Inaugurate Novel Used Car Sale**

Collins Bros. of Portland, Cadillac, La Salle, Oakland and Pontiac dealers, are inaugurating what is known as a "Golden Opportunity Used Car Sale," which is scheduled to run from March 10 to April 10.

During this time the salesmen are divided into two teams, and the team selling the greatest number of used cars is to enjoy a turkey dinner at the expense of the losing team, who in turn shall be compelled to eat nothing but beans. A prize of \$50.00 in gold is to be given the salesman selling the greater number of used cars, while \$40.00 goes to the second highest salesman and \$20.00 to the third.

The factory is offering prizes consisting of beds, tables, radios, silverware, davenports, washing machines and over 400 other articles as inducements for the salesmen to sell a greater number of used cars during the 30-day period, and as an extra inducement to the purchaser of one of these used cars, Collins Bros., who are a reliable concern, with a reputation for square dealing and good values, have cut the prices on all cars to the bottom, and each car has been thoroughly reconditioned, painted and given new tires, and are offered at the best values obtainable. For the convenience of those wishing to purchase one of these used cars, three locations are maintained—two on the eastside and one on the westside of Portland.

Collins Bros. will dispose of many used cars by April 10, as every effort is being made to give good values during this sale, and each salesman is determined to be one among the winners.

Mrs. Thera Merrill, who has been in Victoria, B. C., for several weeks, came to Portland by airplane last Friday and returned to Victoria by plane Sunday. She spent the two days with her parents, Mr. and Mrs. E. O. Allen, and her two little sons, Dickie and Bobbie.
