CHARLES' HUMOR

ANNOUNCEMENT.

To the Republican Voters of Washington County:

As a candidate for the nomination for county commissioner, I believe it proper that you should know something about myself in order that you may judge my fitness for the office.

I came to Washington county, Oregon, in August 1894, and have resided here continuously since that date.

In 1898 I became interested in road work and in 1905 was appointed road supervisor. In 1910 I was elected county commissioner, serving four years and retiring at the close of 1915. In 1920 I was appointed road foreman and have served continuously in that position.

With my long experience in road building and intimate acquaintance with requirements of all sections, together with experience with transaction of county business gained during my former term, I believe I am able to give you efficient service as commissioner. Being a large taxpayer, I can promise economy which does not interfere with efficiency.

JOHN NYBERG.
