VOTERS ATTENTION

Do You Believe In Party Government?

Don't you recall that all great benefits that we have received in the past have come through one of the regular political parties?

An Independent movement is instigated as a rule to satisfy the personal ambition of some one.

What chance has an Independent candidate to make good the promises which are so easily made to catch votes?

Every man on the Republican ticket is a good man and one that you can trust to make good his promises.

Think all of this over and then vote the Republican ticket straight on November 4.
