CHURCH OF NAZARINE

The revival services began on Wednesday evening with a fine attendance. The members of the orchestra were all present and with Mrs. Harrison at the piano the meeting was launched in a wonderful song service led by Mrs. Tait the pastors wife. Following prayer and announcements Mrs. Tait sang "Oh make me clean by Thy refining fire," after which the evangelist Rev. E. J. Lord, preached a soul stirring sermon on the subject of prayer. The message gripped the people and the service came to a close with a fitting season of earnest intercession. Services continue all next week except Saturday at 7:30 p. m. Sunday at 11 a. m. and 7:30 p. m. Everybody cordially invited.

CHURCH OF CHRIST

"G. W. SPRINGER, Pastor
Next Sunday we begin our airplane flight over the South pole. Every class has set a goal which it hopes to maintain during the winter months of December, January and February. Every time a class reaches its goal its airplane goes over the pole. The class whose plane flies over the pole the most number of times will be treated to an oyster supper by the rest of the school. Members who are present every Sunday will be included with the winning class. We are striving to keep our Bible school above the hundred mark. Are you doing your part in this attendance program?
The adult young people's class had a supper in the Church last Saturday evening with 20 in attendance. We have high hopes for this class and welcome new members. Young married people are included in the class.

The Christian Endeavors will have a pot luck supper and business meeting at 5:30 next Sunday evening in the church. This is very important and we want every member and associate member present as we hope to have the C. E. by laws with us to read to the group. There will be regular church services next Sunday morning at 10 o'clock and at 8 o'clock in the evening.
