DID YOU EVER STOP TO THINK

That the greatest of all blessings is happiness. Happiness does not always consist of what one gets out of life, but comes from what one puts in it. The surest way to bring prosperity to a community is for every citizen to spend his money at home. In this way the money keeps circulating at home, giving happiness and prosperity to you and your neighbors. You will express your faith in your home city by joining in all efforts to make it a still better place in which to live and make a living.

Favorite Recipes of a Famous Chef

Told to Anne Parker by FREDERIC F. JULLIOT, Chef, Hotel Astor, New York City

Two old favorites prepared in Mr. Julliot's special way are offered here for the consideration of the American housewife.

Chef Guillot

Tongue—Scrub the tongue. Place in saucepan, cover with water, and cook slowly until tender. Meanwhile prepare one cup stewed currants. Add currants to one cup of the water in which tongue was cooked. Add one cup sugar, one-fourth cup butter, one tablespoon cloves, and one-half lemon, sliced. Simmer tongue in this sauce for fifteen minutes. Place on serving dish with the sauce. Garnish with slices of lemon, and serve.

Scalloped Onions—To one quart strained, cooked tomatoes add two tablespoons flour, one tablespoon sugar, salt and pepper to taste. Simmer for fifteen minutes. Add two tablespoons butter. Halve eight medium-size onions and place in baking dish. Pour tomato sauce over onions, and bake for one hour in moderate oven.

You should support this newspaper not halfway, but all the way, for it takes the lead in bringing happiness and prosperity to your community. It is constantly advocating those things that bring the home people closer together, and does it in such a manner that it stimulates a more vigorous public spirit. It pulls for the home city all the time and applauds vociferously those that do constructive work.
