The annual Educational Exposition to be held at Corvallis, February 13 and 14 will be as usual well represented from Beaverton.

The staff of specialists in educational guidance from Corvallis will be assisted by Dr. Joseph Roemer, of the University of Florida. C. A. Howard, State Superintendent of Public Instruction and Miss Mary Mahoney, Educational Director of Meier & Frank department store, Portland.

Sam Lancaster, the engineer who built the Columbia River Highway, entertained the student body Wednesday, January 14 with many interesting accounts of his life. Mr. Lancaster had infantile paralysis for many years and he is interested in helping any person who has the same affliction that he had.

Because the room was too light for moving pictures Mr. Lancaster was unable to show us the many beautiful scenes that he has taken during his work as an engineer. He promised to come again and is going to charge a small admission to see these scenes in order to help the people in the south who are having such a hard time right now.

The Beaverton All Stars defeated the Hillsboro Town Team with a score of 33 to 27 January 23rd. The game was very fast with Beaverton showing excellent floor work and passing. Phillips, forward, of Beaverton, ranked highest with 17 points.

January 26 the Beaverton All Star played B'Nai B'Brith and were defeated with a score of 39 to 20. Beaverton showed very poor passing power which resulted in their defeat. Phillips the star player of the Beaverton team was unable to play.

The Girls Glee club sang a few selections at the Methodist Church on Beaverton High School Night, January 27. They sang Going Home, from the Largo of the New World Symphony and Belles of the Sea. The trio sang The Land of the Sky Blue Water.

CHURCH OF CHRIST

G. W. SPRINGER, Pastor

We are about to enter the last month of our Sunday School contest. It is up to every member to help the class to which they belong fly over the pole.

Don't forget the oyster supper. It is very important that every member of the church be present next Sunday morning. The sermon topic will be: "That ye all Speak the Same Thing." The evening topic is "Things Coming Upon the Earth." The Christian Endeavor is prospecting under the capable leadership

of Miss Maurice Rice. It is the plan of the society to unite in a rally at Forest Grove next Friday. Viola Ogden, state secretary, will be with us next Sunday evening. Don't forget the class on "Expert Endeavor" conducted by Miss Galloway every Tuesday evening.

Mrs. Smith is now president of the Sisterhood and needs the hearty support of every member.
