Getting In On It

A Scotchman came upon an automobile overturned at a railway crossing. Besides it lay a man badly smashed up.

"Get a doctor," he moaned. "Did the train hit you?" asked the Scotchman.

"Yes, yes! Get a doctor." "Has the claims agent been here yet?"

"No, no! Please get a doctor." "Move over, you," said the Scotchman, "till I lie down beside you."

Now is the time to build. Building material was never lower in price. We have hundreds of free plans which we offer you and will help you in every way open to us. Drop in and talk it over.

At the Drug Store

Young bride: "That baby tonic you advertise," she began; does it really make babies bigger and stronger?"

Druggist: "We sell lots of it we've never had a complaint." "Well, I'll take a bottle."

In five minutes she was back. "I forgot to ask about this baby tonic. Who takes it—me or my husband?"

Relay—Won by Beaverton Wright, Hart Brandt and Wismer, time 1:34.2.

Beaverton's team placed second in the All Willamette Valley meet in Salem last Saturday and will compete in the State meet at Corvallis next Saturday.

Wright and Hart starred for Beaverton. Relay was exceptionally fast.

In a triangular meet with Silverton and Newberg last week Beaverton scored 87 points to Silvertons 15 and Newbergs 16.

Aloha-Huber School Makes Good Showing

Beaverton grade school added another county track title to her impressive string of victories by amassing a total of 99 3-4 points to lead all other schools in the annual track and field meet, which was held on the university field at Forest Grove Wednesday afternoon.

Forest Grove finished in 2nd place with 48 1-4 pts; Hillsboro took third with 43 3-4 pts; Aloha-Huber placed 4th with 32 pts.

The remainder of the places were divided among: Johnson, Witch Hazel, Gaston, Gales Creek, Banks Tualatin and Tualatin View.

Because of a cold wind and cloudy sky no sensational times or marks were recorded—tho the inclement weather did not seem to hamper the crowd as it did the athletes.

A feature of the meet was the Class B relays which the local boys and girls won, handily. Beaverton came from behind to take the class A boys relay and in the class A girls relay and in the Class A girls race, led throughout to win easily.

Point winners for Aloha-Huber are as follows: (Girls) Class A-50 yd dash, Margaret Sivard 1st.

(Girls) Class B-50 yd dash, Helen Reynolds, 1st.

(Girls) Class B Baseball distance throw, Rose Loesche 2nd.

Church Services

CHURCH OF THE NAZARENE

W. B. TAIT, Pastor

The monthly meeting of the Columbia River Nazarene Council was held at the Beaverton Church Tuesday the 5th. The District Superintendent Rev. J. E. Bates preached at 11 a. m. and Rev. J. E. McShane in the afternoon at 3 o'clock. Both of these messages were much appreciated by the large number in attendance.

The ladies of the church provided lunch which was served at the noon hour in the basement of the Christian church. The dining room and kitchen equipment were generously loaned by the Christian Church for the occasion.

The business session of the council met at 1:30 p. m. with the President Rev. D. J. Smith of Portland First Church in the chair. Final arrangements were made in engaging evangelists for the camp meeting and the date definitely set. The preachers will be Rev. J. G. Schurman of Chicago and Rev. D. S. Corlett of Pasadena, Calif. Date of meeting July 27th to August 9th. The camp grounds are located on the Base Line Road at the junction with Craig Road.

I want to SEE the INSIDE FACTS

FOR YOUR PROTECTION MAKE THIS REQUEST BEFORE YOU BUY ANY TIRE

Never take the chance of buying tires of outside appearance. Insist on seeing cross-sections... alone of the particular tire the salesman seeks to sell you, but of competitive tires as well. Only in this way can you make comparisons and determine which tire is Bigger, Stronger and Safer. INBUILT VALUES are never visible on the surface. You must look inside to get the facts.

With cross-sections before you, the claims made about various tires either stand up, or they crumble under the truth. No amount of explanation can put more rubber volume, more weight, more width, more thickness, and more plies, into a tire when they aren't there. These EXTRA VALUES are inbuilt at the factory... never on the sales floor or in public print.

HERE, MR. MOTORIST, IS HOW TO GET THE ABSOLUTE FACTS ABOUT TIRES

Come in today and let us show you Firestone cross-sections and cross-sections of special brand mail order tires. Make your comparisons. Take up every point and note the difference. You will be under no obligation whatever to buy. All we want is to have you get the facts yourself so you can see which tire offers you the greatest value.

Do you recall any instance where you were invited by sellers of special brand mail order tires to compare cross-sections of their tires in each price class, with Firestone cross-sections? It just isn't being done. We not only invite you, we urge you, to make comparisons because we know Firestone tires will back up every statement we make.
