California... the Southwest... the picturesque Old South. Then, if you wish, a delightful ocean voyage from New Orleans to New York, with meals and berth included in this price. Or you can continue East by train from New Orleans. Return on any northern line, and you've completely circled the United States. You've seen more of the United States than you could see on nearly any other ticket.

No matter what your eastern destination, we can include California at only slight additional cost. Summer fares are now in effect. Let us help you plan.

A new contest will be opened in the Sunday School next Sunday morning. Details will be explained at that time. Every member of the school should make an effort to be present during these warm summer months, in order to "hold the line." The new pastor, Rev. D. Rand Pierce, is strongly convinced that the modern pulpit is losing, largely, the ability to impart that spiritual thrill it once possessed so generally. The preacher must have a message to the hearts of men—not merely a sermon.

He will deliver such a message at the 11 a. m. service Sunday, on the "Transforming Power of the Gospel." At 8 p. m. the message will be founded upon one of the most dramatic challenges to the grace of God on record and the surprising outcome.

Bruce Williams will render a solo.
