EAST

You pay a few dollars more to go East through California than to go direct. But see what those few dollars buy! California... the South-west... the picturesque Old South. Then, if you wish, a delightful ocean voyage from New Orleans to New York, with meals and berth included in this price. Or you can continue East by train from New Orleans. Return on any northern line, and you've completely circled the United States. You've seen more of the United States than you could see on nearly any other ticket.

No matter what your eastern destination, we can include California at only slight additional cost. Summer fares are now in effect. Let us help you plan.

"Oh, can't I now?" said Pat. "No, you can't!" the tough guy insisted.

"Then go to the office and get your pay," Pat replied. "I'll have no man workin' for me that I can't lick."

CHRISTIAN CHURCH

REV. G. W. SPRINGER
Teddy Leavitt is holding an evangelistic meeting at the Spokane Avenue Church of Christ in Sellwood. A Beaverton delegate was present last Tuesday night. Due to the preparation for coming minstrel given by the Christian Endeavor, it was not as large as it would have been otherwise. We are hoping that a large group may visit the meetings next week.

To those who may not know of it we have a splendid male quartet. This quartet sings nearly every Sunday at either the morning or evening service. We know you will enjoy it.

Next week from July 1-5 will be the Christian Church convention at Turner, Oregon. All who possibly can should plan to attend at least some of the sessions. It is good to keep in touch with the Church of Christ as a whole.

There will be the regular services next Sunday both morning and evening.
