CHURCH OF CHRIST

G. W. Springer, Minister

One of the Christian virtues which Christ extolled very highly is faithfulness. There are many in the church whose names might be mentioned as very faithful in attendance at Church and Sunday School. Before his recent illness Brother Tom Allen completed two years during which time he did not miss a single Sunday in attendance. We are glad he is able to be with us again. We believe that such faithfulness should inspire every Christian to remain true to Christ.

Next Sunday morning Mr. Springer will speak on the topic "The Vine and the Branches." The evening topic will be "What Doth Hinder Me."

Pacific Nature-Cure Sanitarium

Offers a Complete Classification of Cases and Extends Every Modern Convenience to Meet the demands of a Sanitarium for Patients of Drugless Physicians. Phone BE. 3679.

The Pacific Nature-Cure Sanitarium was opened to the public Monday at 742 Overton street. This is the old Portland Maternity hospital and has been remodeled to meet the demands of a sanitarium at Battle Creek, Michigan.

Dr. Jacob H. Miller is president. He is a former dean of the American College of Naturopathy and operates a sanitarium at Battle Creek, Michigan. Dr. Gordon V. Pelfrey is superintendent and resident physician. He is a graduate of the Portland Chiropractic college. He was once a Journal carrier.

We are glad to compliment this institution on its modern facilities and beautiful surroundings and their work in the relief of suffering humanity. The policy of offering a true service for drugless physicians is to be commended. They have the latest equipment in Electro-Therapy etc., We judge a man's love for God by the way he treats his fellowmen.

The management is very courteous and will be pleased at any time to answer any calls as to rates and locations in the hospital.

Miller Products Co.

Miller's Quality Spray Products, Liquid Lime Sulphur—Water Proof Bordo, Oil Emulsions, Pruning, Grafting Compounds, Complete Line of Spraying Materials. Foot of Lincoln Street, Portland, Oregon.

This concern features Quality Spray Products. A complete stock that is made at home and sold right here. It is a well known fact that there is no institution in the community that has met with greater favor with the public than his well known establishment. By reason of the fact that the management has had wide experience in every feature of this business and because of their comprehensive knowledge of every branch of the trade, this establishment has continued to witness the increase in the number of their patrons.

There is no one concern more worthy of extended mention in this review than this well known institution. Under direction of a man thoroughly conversant with every feature of the business, it is not strange that it has become one of the most important industrial assets of the community.

The head of this concern is a man of long and practical experience in this business. They are thoroly conversant with its every detail and are considered an authority in all that pertains to spraying materials. They are of the foremost business men of the city and have aided in the development of this section. This establishment is not only well equipped and expertly operated, but it is also one of the essential features of the industrial and commercial organizations of the community and renders a service that is necessary to the onward progress of the state.

In making this review of the onward progress of this section of the country we compliment them on the manner in which the business of this institution is operated and upon their progressive and public spirited policies.

We are glad to compliment the Miller Products Co. upon the position it occupies in the life of the period and call the excellent and satisfactory service as well as reasonable price to the attention of the public.

A Law Course Which Will Help You Pass the Bar

Become a lawyer and earn a lawyer's big fees. Some lawyers have earned as much as a million dollars in a single case.

You can prepare in your spare time at home through the Blackstone Legal Training Course and Service, which contains sufficient instruction in law to pass the legal examination for the bar. The LL. B. degree is conferred upon graduation.

The Blackstone course was prepared by 80 of the most eminent legal authorities in the United States. Included in the list of authors of text materials are such men as Justice George Sutherland of the United States Supreme Court. The course is endorsed and recommended by leading law and commerce schools as the foremost non-resident law course in the country. It is arranged in a way that makes law the most fascinating of all home-study courses. Easy to grasp—interesting—practical—complete. 50,000 students have been enrolled. Hundreds of them have been admitted to the bar and are today successful lawyers and judges. Thousands of others have been fitted for bigger and better positions in business. Regardless of the kind of work in which you are engaged—whether you are an accountant, salesman, banker or executive—a knowledge of law will pave the way for bigger responsibilities and increased income.

Write for Free Book

Write today for a free copy of our book, "The Law Trained Man," which tells about the successes which have come to Blackstone students through the home reading of law.

In addition, the book contains a full description of the Blackstone Legal Training Course and Service, and also gives many helpful legal pointers that will be of value to you in your everyday work. It answers such important questions, as "Must an agreement, to be binding, always be in writing?" "Does a receipt in full protect the holder against further demands?" etc. The legal illustrations it contains, written in story form, may be the means of saving you thousands of dollars. The book is yours, free, for the asking. Mail the coupon today—NOW—there is no obligation.
