Aloha Baseball Team Defeats Normandale Aces 5-2 Sunday

Aloha, Oregon, July 15—The Aloha baseball team made it four straight by defeating the Normandale Aces, 5 to 2, Sunday on the Rose City field in a fast game.

All of Aloha's runs came in the first two innings. In the first, Antrim walked, took second, on Saindon's safe bunt, went to third on an overthrow, and scored on Cloyes' long fly to center. McLean followed with a triple that scored Saindon, who had gone to third on the play at the plate.

Five hits and a walk netted three runs in the second and ended the scoring for Aloha.

A triple and three singles in the eighth scored one run for Normandale filling the bases with no outs. A fly to second, a strikeout, a hit and a fly to center retired them with two runs for the inning.

McLean and Sager each gave Aloha a triple.

A beautiful running catch by the Normandale center fielder, together with a snappy double play by Aloha were the fielding highlights of the game.

Although frequently in trouble, Cloyes tightened in the pinches. He struck twelve men out in the game.

Aloha plays Jackson Park on the home field Sunday.

LAWN PERFORATOR BIG
HELP TOWARD KEEPING
GRASS NICE GREEN

We present to our readers this week a new product by a new company, the Universal Lawn Perforator, manufactured by the Universal Lawn Tool Company of Portland, whose ad appears in this issue.

This new and useful lawn perforator has solved the problem of how to economically keep a lawn. The object of this tool is to keep your lawn green throughout the dry summer months. By making perforations in the lawn this tool allows water to run directly to the grass roots where it soaks in carrying the fertilizer with it and prevents the lawn from becoming sod bound or souring. It is especially valuable on sloping lawns where the water naturally runs off quickly. The price of this article is only \$1.90 and is on sale at all department, hardware and seed stores.
