Aloha Team to Play Bradley's Pies Sunday

The Aloha baseball team will play the Bradley's Pies team Sunday July 24, on the Aloha diamond. The bakers have a well-earned reputation for being a good team, and the game promises to be a good one.

The team thought it had a game for last Sunday but, owing to a misunderstanding where the games are scheduled, Aloha was left out, so a practice game with Reedville was held.

Suggestions helpful in the home canning of fruit and vegetables are available in printed form from the county agent office. Methods of canning these products with and without the pressure cooker are explained and suggestions given that sometimes prove helpful. Home evaporators may be constructed that will aid in the drying of some of the food products. Drying is an economical means of preserving the food value of many of the fruits and vegetables and as it does not require containers is a method anyone can use. If it is necessary to construct evaporators plans for simple types are available.

Last year state highway reconstruction, betterments and maintenance alone cost the state over \$7,000,000.00. The total state highway bill was close to \$16,000,000.00, of which the commercial trucks and busses paid 1-16—Mr. Taxpayer, Mr. Automobile Owner and Mr. Private (small) Truck Owner paid the remaining 15-16.
