METHODIST CHURCH NEWS

Our Church is Here to Serve You
GEORGE F. GORDON

The Methodist church has one major task in this community; that of ministering to the spiritual needs of man. If this is overlooked our church has no place in this community. We are here to preach and apply the Gospel of Jesus Christ. We may have very little of this world's goods but we have the privilege of being "Sons of God." It is not necessary to neglect the church because of depression. We are not evaluating our constituency according to their financial holdings. Our church will not make it embarrassing for you. Come to our services Sunday morning at eleven o'clock. The sermon subject will be "What is a Bible Christian?" You will enjoy this service. Special music will be featured.
