METHODIST CHURCH NEWS

George F. Gordon, Pastor

"Our Responsibility Toward Missions" is the sermon topic at 11 o'clock Sunday. There is but one safe outlook for the Christian church of today; this is found in our attitude toward the world. We cannot become Christ minded and think only of self and our immediate people or institutions. Christianity is a pioneering religion. There are no hardships but what she is willing to meet; nor tasks too hard to face. The story of missions reads like a great magic fairy tale. Our own Oregon has a rich heritage brought to us by the early missionaries, both Catholic and Protestant. The work they established speaks well for their sacrifice and devotion.

The missionary work in foreign countries is of great importance and needs the support of all spiritual-minded people. The word is one great family and we must consider it as such.

You will enjoy the service next Sunday. Come, bring your friends and hear the message on missions.

BEAVERTON CHRISTIAN CHURCH

Rev. G. W. Springer, Pastor

We are looking forward to next Sunday, rally day, with a great deal of anticipation, not only for the splendid program presented by the children but we are looking forward to a great revival of old friends and acquaintances. Everyone is invited to enjoy this day with us.

Friday evening at 6:45 there will be the Washington County rally and convention of state missions in the basement of the church. A potluck dinner will be served. The missionary society will serve hot coffee.

At a business meeting Wednesday

night the young people of the Christian Endeavor Society elected to send Miss Mary Merritt, president, and Miss Ella Bean as delegates to the county convention at Gaston. A Halloween party was also decided upon, an announcement of which will be made later.

Next Sunday morning Mr. Springer will bring a rally day sermon, "Walking Worthily." The topic of the evening sermon will be "My Brother's Keeper."

CONGREGATIONAL CHURCH

Charles F. Clarke, Pastor

Beginning with the Sunday school session at 9:45 all services will be held at the usual hours. Morning worship with sermon by the pastor at 11; both Endeavor societies at 6:30; evening services at 7:30. Mr. Clarke will preach in the morning about a king who lost his main chance because he was busy—were you busy with the little thing of life? If you are, perhaps there is something for you in this sermon. The evening subject will be "First on One Foot, Then on the Other." Please note the mid-week meeting will be held Thursday instead of Wednesday. A potluck supper will be held promptly at 6:30, after which we shall hear Rev. Harold S. Robinson, who has just returned from Teh-chow, China, and will give us some late news from that strange land. This meeting will be of interest to the general public. Early adjournment.

NAZARENE CHURCH

Rev. Willard P. Anderson from Portland will fill the pulpit at 11 A. M. and 7:30 P. M. this Sunday. Sunday school for all ages at 9:45 A. M. Young people's meeting at 6:30 P. M. Everybody welcome. Come and bring your friends.

DRY LEADER COMING TO

TIGARD SUNDAY MORNING

The public will have the privilege of hearing facts concerning prohibition in the Tigard Methodist church on Sunday at the 11 o'clock service by the Rev. W. J. Herwig, who is an outstanding authority on this subject and known from coast to coast in the temperance cause.

Dr. Herwig is carrying on the fight against the repeal of Oregon's dry law, so ably begun by Dr. Dan Poling, the latter having to go east after the disappearance of Raymond Robbins. The board of temperance loaned Dr. Herwig to Oregon to carry on the campaign. He is an able speaker. He knows the truth and presents it in a pleasing manner. His message is so vital that every citizen should hear him.

Rev. Cloud of Portland spoke in the Evangelical church last Sunday evening.

LET'S EQUALIZE TAXES!!!!

The DAIRY INDUSTRY of Oregon, employing over 50,000 men in steady, year-around jobs, pays TAXES to the state on over \$250,000,000 invested capital, in farms, herds buildings and equipment.

The Butter Substitutes corporations, importing coconut oil, DUTY FREE, manufacture most of their products outside the state of Oregon.

Measure 306 provides a "tariff" on Butter substitutes which are now NOT PAYING ANY TAXES for OREGON'S SUPPORT.

SOCIAL CALENDAR TO BE REVIEWED

At a general meeting held last week for the purpose of discussing relief work it was suggested by Walter Upshaw that the Tigard social calendar idea, which was augmented in the Lions' Club, be again put in operation.

Mr. Arthur Vincent of the First Bank of Tigard was designated as secretary.

All organizations are requested to appoint one member whose duty it will be to hand to Mr. Vincent data and dates of all social events to be held during the coming winter.

There is nothing dictatorial about this suggestion, as schools, churches, clubs and fraternal groups may, if they so desire, have their events on the same date.
