SILENTLY PASSING

FRANK HOLBOKE

Frank J. Holbake passed away at St. Vincent's hospital in Portland on Friday morning, November 11, after a week's illness following an operation for appendicitis. The news of his death came as a great shock to the community, as it was generally believed he was improving rapidly. Mr. Holbake was born 41 years ago on a farm northeast of Beaverton, and which is still owned by members of the family. He grew to young manhood in the community, in which he spent all his life with the exception of six years in Eastern Oregon shortly after his marriage. For the past eight years he resided with his family on a farm on Pleasant Valley road in the Kinton community. He was a faithful, loving husband, a kind father and a loyal friend who will be greatly missed by all who knew and loved him.

Fifteen years ago he was united in marriage to Miss Anne M. Welter, who with three children, Francis, James and Margaret, survive him. He is also survived by the following brothers and sisters: Bernard and Mrs. George Moahofsky of Beaverton; Henry of Portland, Joseph of Heppner, Or., Leo of Boardman, Or., Herman of Fairvale, Or., and Mrs. Charles McElliott of Ione, Or. Funeral services were held Monday at St. Cecilia Catholic church at Beaverton, with Rev. Father Joseph O'Neil officiating and requiem mass was offered at 9:30. Concluding service at Mt. Calvary cemetery with Hennessey and Goetch funeral directors in charge.

METHODIST CHURCH NEWS

George F. Gordon, Pastor

The avangelistic meetings in the Methodist church are continuing on through the week. Interest is good and the congregations have increased. These meetings are making possible for this community to enjoy a real spiritual feast. The Clarks have a high-class program with great spiritual values. We invite the public to attend each evening at 7:45.

Sunday at 11 o'clock the message will be brought by the pastor, Rev. G. F. Gordon, on the theme "Justification," Scripture Romans. 3:5. This message will deal with the questions: Do all men alike need to be justified? What is it to be justified? How can God justify the guilty? Will a man be justified by his good works? In what way does God justify a man?

These are vital questions and the message will have something of value for you. You are cordially invited.

Mrs. Clark will speak in the afternoon at 3 o'clock and at 7:30 in the evening.

ADDRESS OF GRANGE MASTER TABER AT NATIONAL GRANGE

3. Credit machinery to prevent foreclosures, to reduce interest charges and to give the farmer a fighting chance to hold his farm and his home.

4. Reduction of governmental costs, local, state and national, and a lightening of the burdens on real estate.

Another Year's Grange Progress
National Master Taber sums up the successful year's work of the Grange in the fact that more than 630 new units have been organized during the year, that an actual net increase in membership has been made and that its treasury surplus of more than \$150,000 has suffered no appreciable shrinkage, due to the sound investment policy long maintained by the National Grange. In North Carolina alone 144 new subordinate Granges were organized during the past 12 months, while new organizations were reported from almost 30 different states, reaching from coast to coast.

More new Grange halls have been dedicated the past year than for a quarter century previously and further building plans are under way in scores of Granges. Nearly every subordinate in the United States has initiated new members during the past year and the Grange organization is increasingly becoming an institution of effective local community service.

High Spots in National Master Taber's Grange Address

1. Congress Must Act: Speedy and definite action by the coming short session of Congress on several definite needs is imperatively demanded.

2. A New Land Use Program: The first step in any long-time policy for rural life must be founded on a sound program of land utilization, and it is high time to give renewed thought to the problem of conservation.

3. Marketing and Surplus Control: Distribution costs must be reduced so that the farmer may receive a larger share of what the consumer pays. The farmer must be given more rather than less control in handling the products of his own toil.

4. Amend Federal Market Act: The purpose of this act was a step in the right direction, and when amended it must be by the friends, and not by the enemies, of agriculture.

5. Export Debenture Plan: The Grange will continue to advocate the export debenture or some equivalent method as a complement to the pro-

6. Taxation Needs: The first step is to broaden the base of taxation, compel income, luxury and privilege to bear a larger share of the costs of society, and turn tax-dodgers into taxpayers.

7. Reorganization and Economy: The complete overhauling and reorganization of the functions of government is a need of the hour, and will make for public morals and added confidence, as well as money saving and improved service.

8. Duplicate Compensation: The veterans' bureau must be radically reorganized to shut out from receiving compensation those who are on the federal payroll or otherwise drawing full salaries.

9. Farm Debt Moratorium: A general moratorium on farm debts would be more dangerous than any other proposal thus far made for the relief of agriculture.

10. Temperance and Law Enforcement: The return of the saloon in any form would be the nation's greatest backward moral step. Our duty is clear. We must oppose any repeal or change in the 18th amendment that does not make for true temperance.

The Grange Challenge

The National Grange at this session is met by a positive challenge to adopt a program that gives assurance of courage and hope to rural America.

A number of Beaverton people attended the card party and dance at Cedar Mills on Saturday evening and report a very enjoyable time.

About a dozen members of the Nazarene church attended an all-day preachers' meeting and Young Peoples' convention at Camas, Wash., Tuesday.

Mrs. W. R. Van Kleeck visited at the home of her sister, Mrs. Erwin Willis, at Tigard on Wednesday afternoon.

Mr. and Mrs. A. C. Chinn and son Gerald spent Armistice day with their daughter, Mrs. Delbert Ellis, and family at Molalla.

Quite a number from Beaverton attended the Congregational club dinner at the Sunnyside Congregational church in Portland Monday evening. The Bethel Male quartet sang.

Mr. and Mrs. Sam Huston of Portland attended the O. E. S. bazaar and Mr. and Mrs. John Summers are entertaining this evening (Friday) at a duck dinner, the guests being Dr. and Mrs. Octave Goffin and Mr. and Mrs. Mark Daniels of Portland.

REBEKAHS

The Rebekahs held a home coming anniversary meeting on Tuesday evening with an attendance of 60 members and friends. A number of visitors from Portland were present. After the business of the evening was disposed of a very interesting program was rendered. The first number on the program was the history of the Rebekah lodge, read by Mrs. Rose Stevens, district deputy president. Then followed the rollcall of charter members, to which several absent ones responded by letters. The next roll call was responded to by members, telling where they joined the lodge and the date of joining. A novelty auction sale was held, each member being given a bag of beans to be used for money. A humorous debate, "Why you should be a Rebekah," with Mr. Foster affirmative and Mr. Denholm negative, was greatly enjoyed.

At the close of the program refreshments were served in the dining room, which had been beautifully decorated in pink and green. Three large birthday cakes, also carrying out the same color scheme, graced the tables.

Eastern Star Bazaar and Dinner

The bazaar and dinner given by the Eastern Star Wednesday afternoon and evening was largely attended and was pronounced very successful. About 200 people were served a dinner. The fish pond was well patronized and so were the rummage and candy and apron booths. Several useful and appropriate door prizes, among which was a live turkey, were given. The program put on by the Journal Juniors was a decided hit and well worth attending. It is to be hoped the Journal Juniors will favor our community with another program in the near future.

dinner Wednesday and were guests at the C. C. Beach home.

Friendship Bridge club met at the home of Mrs. Otto Erickson last week. Mrs. Elmer Stipe won honors.

Lewis Dean and Dr. Hetu went fishing at Dairy creek over last weekend and brought home a nice catch.

Sunday dinner guests of Mr. and Mrs. Elmer Benson were Dr. and Mrs. Daniel Myers and baby son of Portland. Mrs. Myers and Mrs. Benson are sisters.

Mrs. Jack Mulloy of Vancouver, Wash., spent Sunday evening at the home of Mrs. Sarah Butler.

Mrs. Elizabeth Johnson of Dilley is spending the winter at the home of her daughter, Mrs. Lyndon L. Myers, and family.
