ALOHA BAPTIST COMMUNITY CHURCH NEWS

Rev. W. H. Redman, Pas-or
Our Bible school is from 9:45 a. m. to 11 o'clock. L. Barber, Supt. We have a splendid school with over 100 as an average attendance and with as fine a staff of Christian workers as can be found. The school opens by a real live song service led by our fine orchestra. You will be made welcome.

Church services are at 11 a. m. and 7:45 p. m. We are having good attendance even in the disagreeable weather. The morning messages given by the pastor are proving of intense interest. The first of the series was "Who is the Christ of God?" the saviour of the world and how we may know him. The second one "The Church." Third, "The Church in History." And the messages for next Sunday morning will be along the line of Prophecy. Be sure to be present. We have a wonderful choir. You will go a long way to hear better singing. The anthem last Sunday morning was received by the congregation with much comment. We would like to see you at our services.

Our Young People's service at 6:45 is very helpful with a fine turn out of young people. We are pleased at the way each member responds in taking their turn with the various subjects. Just now they are preparing for a play they intend to give later on. The Round Table Class is also preparing a Valentine social. We shall hear more about that in a week or so.

METHODIST CHURCH NEWS

George F. Gordon, Pastor
Mr. Roger Babson says "Four per cent of the men of the United States do ninety five per cent of the thinking and managing and planning for the country." There is a reason for this. Just as this is true in the world of business it is true in church, school and lodge. "So few people to take responsibility" is what we hear on every hand. We are offering on Wednesday evening at 7:30 for the next few weeks at the church, a course of addresses and lessons on a great subject and theme. We call this course "Personology" It is just what you need to develop you and make you
