

Church Services

Congregational Church

Rev. Charles F. Clarke, Pastor

Well Friends: Life is a wonderful thing if we live it right, and we have a day set aside to give us a chance to learn how to live it. One thing we need is inspiration else our lives will be dull. Next Sunday I would like to talk with you about one of the essential things needed for living a "Victorious Life." Are you living a defeated life or do you want a more successful life? Come you will get a message that will help you. We want to be happy too, come at 7:30 p. m. and join us in an hour song service. We will sing some of our great hymns and have a little talk about a group of hymns and close with a hymn illustrated by stereopticon. Begin the day right by coming to our Bible School which meets at 9:45, the Christian Endeavor Societies meet at 6:30 p. m. The annual meeting of the Bible School will be held Wednesday at 8. All teachers and officers are urged to be present.

Methodist Church News

George E. Gordon, Pastor

The value of the church is found in its service to humanity. There is really no other reason for a church being in a community. When an institution reaches the place where its services are not needed then it is time to do away with that institution. The church is a sacrificing organization. What it does, it does for the sake of humanity. It does not seek riches, popularity or a false standard of evaluation. One objective lies before the church, that is, "To make the mind of

the Master real to men." To give people a practical, workable, sensible, well grounded faith and a religion that is decidedly up to date.

You will find a cordial welcome at our church. Our people are interested in you and will be glad to make you one of our number. You will enjoy worship among friendly people.

Our Sunday School is growing and we are well fitted to give the type of teaching we need in a modern world. You will enjoy the discussions on various problems of vital interest. Your view point will be respected. Sunday school at 10 o'clock, worship service 11 a. m. Mid-week service at 7:30 in the church.

CHRISTIAN CHURCH

Rev. G. W. Springer, Pastor

The Fisherman's Club organized and sponsored by the Sunday school met Thursday night for initiation and a social good time. We are anticipating active results from this organization.

Prayer meeting services have been attractive and well prepared with the result that a large number have formed the habit of attending. This meeting is at 7:30 every Wednesday night.

A large crowd of young people met at this church for a County Rally last Tuesday evening. A birthday cake and coffee were served after the formal meeting.

Next Sunday morning Mr. Springer will speak on the topic "Reasonable Service." In the evening at 7:30 the topic will be "God's attitude toward the World."

GLACIER PRIEST

Hubbard's plane was nearly sucked into the burning depths when it came in contact with the gases rising from the crater. On the quick action of the pilot saved the party from a horrible death. They finally succeeded in making a safe landing in the vicinity where they repaired the damage done the plane where its fuselage had been scorched and burnt when it passed over the white hot lava.

Father Hubbard has thousands of feet of unusual film taken in this little known Alaskan territory where fire and ice are literally neighbors. He is noted as a brilliant lecturer and is one of the most daring explorers of the present day.

Bernard R. Hubbard was born in San Francisco, Calif., son of an Episcopal minister. His mother was a cousin of Washington Irving, the

great American author. Hubbard first became interested in mountains and volcanoes when he took up the study of geology at the Santa Clara University near San Jose, California.

The GONG SOUNDS MONDAY NIGHT

At the Stroke of 11 When the Big Second Period Vote Schedule Becomes History

The next few hours will probably conclusively determine who will be presented with prizes which are equivalent of over \$3,000 in reward for their energy and determination. Any candidate can win one of these mammoth prizes as close as the race now stands. Everything depends upon what each candidate is able to accomplish in the next few hours. Hustle is the key that will unlock the treasure chest that is filled with magnificent prizes, by far the most valuable and attractive ever offered by any weekly newspaper in this section in recognition of energy and activity. Never before has there been such an array of gifts presented as in this Gift Giving Campaign. And never were there such battles waged to win them. Present indications point to a hair-breadth finish. And while it is certain that the winning votes will run high, it is reasonably certain that the new motor car and many cash awards will be won by a narrow margin. It would be better to win the prize you most desire by a million or more than enough votes, than to get left by a few thousand—to let the valuable gifts and

beautiful new Ford Sedan slip through your fingers because you lacked a few thousand votes.

Monday night, February 6, promptly at 11 o'clock the big second period schedule of votes end forever. Your efforts by 11 o'clock Monday will pay you big. What you do by 11 o'clock Monday night can mean your choice of the valuable gifts. After 11 o'clock Monday night, it will take many more subscriptions to secure the same number of votes than it will take today. REMEMBER, the campaign ends and all prizes will be awarded just two weeks from Saturday night—on February 18th. Anyone can finish last but it takes a person with a real ability and real friends to win out against a field of such strong candidates as are competing in the Tualatin Publishing Co., big campaign. The attention of candidates is called to the vote value of second payments on subscriptions. You can win big by taking the fullest advantage of the present big vote schedule. If you ever intend to do Anything Big for Yourself in this Campaign, DO IT NOW—But a few hours remain.

If you do not understand these coupons come in and have them all explained. They count for each candidate during the first two weeks from the day they start working in the campaign — not the first two weeks of the campaign. Start now interest just starting.
