Coast Basket and Veneer Co.

With Headquarters foot of N. Pittsburg, Telephone BEacon 3489, in Portland, is a Prominent concern of this part of the Northwest whose Superior Products are indispensable in the Upbuilding of the Community, serving the People Faithfully and Being an Essential Factor in the Agricultural and Commercial Development of Portland and Vicinity. Under the competent and Capable Management of Mr. E. B. Magee.

Any business to be permanently successful must be founded on principle, honesty, fair dealing and full value for the price asked. From these there can be no deviation regardless of economic or any other conditions.

In such a period as the one through which we are passing, manufacturers and merchants are confronted with many problems. In seeking the solution there is often strong provocation to resort to expedients that in normal times never would be considered. One cause of this temptation is the appearance on the market of substandard products put out to create so-called "price competition."

Every successful business in America the ones that have endured year after year, started from a small beginning and are built on an ideal

which has always included a self-imposed obligation to keep faith with the public by maintaining quality regardless of conditions.

The Coast Basket and Veneer Co. started with an ideal. Through good times and bad that ideal has never been violated. To it, all subsequent success must be credited.

Here the public has at its disposal the services of men who possess the know-how and who observed their modern business education in the school of practical experience. From the inception of the enterprise, quality has been the aim and the standard has been maintained from the beginning.

The Coast Basket and Veneer Co. is a local concern under the competent management of Mr. E. B. Magee, a man interested in local development and its substantial and well merited

progress is a matter of actual fact well known to the public.

The products manufactured by this concern are recognized by the trade as the very best. They are sold all over the country and users have always been well satisfied and demand their products when buying again.

In making this review of the progress of Portland and vicinity we are glad to call the attention of the people to the advantages accruing to the public by the location of this industry here, the high quality of the products, and the commanding position they occupy in the industrial world, by determinedly living up to their original ideal—to furnish the public with the finest products at a fair price—they have won and retained the respect and confidence of the dealers and their many satisfied customers.

CHURCH OF THE NAZARENE

Rev. Willard P. Anderson, Pastor
"From one Sabbath to another shall all flesh come to worship before me, saith the Lord." I wonder if this is so today. How long since you have been in the house of prayer to worship God? How much better to worship Him now willingly and in love, than to await the day of his wrath when every knee shall bow and every tongue shall confess.

You will find the spirit of our services a real uplift to your soul.

Sunday School 9:45 a. m.

Morning worship 11 a. m.

N. Y. P. S. 7 p. m.

Evening service 8 p. m.

Wednesday prayer and praise at 8 p. m.

METHODIST CHURCH

George F. Gordon, Pastor
"What May I Believe?" A subject much discussed, a question often asked. Are you more interested in the paper box in which you find a precious gem than you are in the gem itself? Is the husk about the ear of corn worth more than the grain? What is the outstanding value of the Scriptures? Are you an idol worshipper? Many people are. The Bible may be an idol and is to many. Do you stumble over the vehicle in which beautiful truths are presented? This subject will be presented Sunday morning at eleven o'clock and you are cordially invited to be present. This message will interest you and help you.

If you are interested in a church home give us a chance to prove the

value of our church and services. If you want basic truths presented and developed in a modern way this is the place you are looking for. We seek the truth and are interested in having others know it. You will find us to be a cordial group and will make you feel at home. Come and bring the children. Make the church once more a vital institution to you. Make her message the message of your evangelism and devotion. Set an altar once more in your heart and home. Make God once more the beacon light directing your ways. Do this and life will be worth much more to you and your household.

CONGREGATIONAL CHURCH

Rev. Charles F. Clarke, pastor
Well Friends: Do you realize that the way you spend your time shows the quality of your souls? Stop and think what it means if you never go out of your way to attend to spiritual matters in quality of soul.

Sunday at 11 o'clock we hope to have a spiritually uplifting service, the sermon will be on "Sifting a Soul." At 8 p. m. the topic will be "Split Milk." The Bible school starts the children off in the good practice of soul culture. It meets at 9:45 and the Christian Endeavor meets at 7 p. m. Mid-week meeting at eight on Wednesdays.

BEAVERTON CHRISTIAN CHURCH

Rev. G. W. Spraner
Sunday School is at 9:45 o'clock. At our recent council meeting the observance of fathers day was discussed with final arrangements left to the superintendent.

Next Sunday evening the young peoples society of Christian Endeavor have charge of the evening services, with the exception of the preaching. These are always exceptional programs. There will be the regular church services.
