Number of Chauffeurs Licenses Issued Small

Formal notice to state police and city enforcement authorities concerning the failure of some 4,000 chauffeurs to obtain their new badges, will be made this week, according to word just received from Hal E. Hoss, Secretary of State. Of the 13,628 registered chauffeurs in Oregon on July 30, only 3,133 have applied for licenses for the current period as compared with 7,313 issued at this same time a year ago it was said.

To avoid action from enforcement officials all persons driving motor vehicles for compensation should attend to the renewing of chauffeur's registration at once, Hoss suggested.

ALOHA TO PLAY SERIES WITH TUALATIN

Aloha, winners of the second half title of the Sunset league will meet Tualatin, first half champs in a three game series, the first of which will be played here Sunday, July 23.

The local nine played their first season in league baseball this year, finishing the first half in fourth place, chiefly due to a lack of organization and experience. The beginning of the second half found them rounding into form, however, and behind Cloyes' excellent pitching won six out of seven games to rank as favorites for the circuit pennant. The winners of the playoff are eligible to enter in the fall tournament held annually in Portland, and consisting of the leading teams in the City, Portland Valley, Oregon State, Inter-City, Greater Portland, Honeyman Hardware, Tualatin, and Sunset leagues.

The second game will be played on the Tualatin grounds, and the third if necessary, will be played at Cornelius.

The probable starting batteries are Cloyes, and Saindon against either Reber or Schriener and Reber. The game is scheduled for 2:30.
