PUBLISHED EVERY FRIDAY

WASHINGTON COUNTY POMONA HOLD THEIR SESSION AT KINTON

Resolution Introduced Calling for Study of the Cost of Production

Washington County Pomona grange met Wednesday, July 26, at Kinton grange and held an all day session, which was featured by the lack of a large number of resolutions. Senator W. E. Burke of Yamhill county was the principal speaker on the afternoon program.

Senator Burke exploited the utilities and Wall Street and declared that all our money was going back to Wall Street through the utilities. He says that the recent legislature was one of the most corrupt legislatures in the history of Oregon and that the truck and bus bill was one of the most vile pieces of legislation ever enacted in the legislature. The House of Morgan is getting control of the freight over our highways through the enactment of the truck and bus bill, he declared. He thinks the government is all right if the people only took control of it and that the place to start in is in the legislature, to elect people who will fight for the interest of the electors. He claims that there is still a future for the people of the United States if they take hold.

Two resolutions were introduced in the session, one calling for the Pomona grange to join in with the other farm organizations in forming a council of farm organizations to study cost of production and to enable the producer to get at least cost of product. Considerable discussion was made on the resolution and Albert Strieff said to get rid of the middle man if the farmers wanted a fair price for their products. Another resolution was introduced but killed by the assembly, requesting Governor Meler to call a special session of the legislature to make an income tax of 80% on all incomes over \$250,000 whether individual or corporate.

Ursel C. Narver, advertising manager of the Oregon Grange Bulletin was present in the afternoon and spoke on the advertising and its connection with the bulletin. He gave a stimulating talk for people to patronize advertisers in the Bulletin and get their sales slips and enter in the contest.

Wm. C. Cyrus, county agent, gave a short talk on the wheat acreage reduction that is being made by the Secretary of Agriculture. Cyrus said that there were 660,000 bushels of wheat produced in Washington county annually. The farmer who signs a reduction agreement will get the market price for all the wheat he wants to sell and will get additional compensation on 5-8ths of his average production for the three years of 1930, 31, and 32. Definite per centage of reduction is not known but will be between 15 and 20%.

The Washington county picnic date was set for August 20 and will be held at Rippling Waters. Drill teams of the different granges will compete against each other at the 4-H club fair in Hillsboro if proper arrangements can be made instead of at the picnic. Copying the suggestion of a Pomona choir from the State meeting J. E. Lewton was elected as choir leader to have a choir at all Pomona meetings.

The next meeting place of the County Pomona is scheduled for Sherwood with that grange acting as host. It so happened that the last two Pomona's have been held in the westerly end of the county and now the east end gets it for two sessions.

Mayor Fisher Appoints Good-Will Committee at Monday Meeting

Special meeting Town Council Monday night 8 p. m. Those present were Councilmen Bishop, Boswell, Fordney, Koshland, Livermore, Mayor Fisher, Recorder Smith, Atty. Reimer, Reading Clerk Wilson and Chief of Police Peets.

Minutes of last meeting read and approved.

A Good Will Committee was appointed by the Mayor, consisting of six Councilmen, Fordney chairman, Barnes, Bishop, Boswell, Koshland and Livermore. This committee will strive to cement the friendship and good will between Beaverton and other near-by communities, also serve the best interests of the citizens of our home Town.

Hon. H. V. Gates and son representing the Gates Pipe Co of Hillsboro, were present and quoted price for 1000 feet water pipe for replacement on Eighth street.

Mr. Bingham of Bingham Pump Co., Portland, was in attendance to confer with the Council pertaining to the Town pump.

P. M. Madden's offer for Firemen Insurance was accepted.

Hereafter the Recorder will notify Town officials of council meetings by post card in advance.

The proposition of the Sanitary Service, Inc., of Portland, for monopoly on hauling garbage at higher rates—transfer of garbage licenses, was not accepted, at present the Town received \$50 per year license money, while under their proposition only \$25 per year would be paid.

Atty Reimer gave an unfavorable report on the claim of Miss Lunds alleged accident near Ericksons garage July 2, 1933. The Council went on record against the alleged claim.

Mr. Madden's offer for bonds covering two police officers was accepted. West Coast Telephone Co. was ordered to remove guy-wire anchor in center of new side walk on Watson near the S. P. tracks.

The Mayor appointed Councilman Boswell to serve on Finance committee in absence of Barnes. Claim of Dr. C. E. Mason \$4.50 professional services for F. H. Goyt, ordered paid.

Motion to adjourn on call prevailed.

ALOHA WINS FROM TUALATIN 7-6 LAST SUNDAY

The staging of a ninth inning rally won the first game of the play off with Tualatin for the Aloha team here last Sunday.

Loose fielding allowed Tualatin to enter the ninth frame leading by a score of 6-5. With one out, McLean sent an easy roller to first which sifted through B. Reber into short right. Bud Cloyes singled to center sending McLean to third. McBreen then drove a double to deep right scoring the tying run from third. W. Cloyes spanked a long single over short to score his brother with the winning tally.

Tualatin drew first blood in the first inning on a single and two errors Aloha tied it up at one all in the fourth and gained a 5-1 lead in the sixth with a single, two doubles, a free pass and two errors. Tualatin took the lead in the seventh on four doubles a single, one error and several misplays which allowed extra bases.

Both sides held scoreless until the ninth and the belated rally.

Schriner pitched great ball, striking out fifteen of the home team, but a trifle wild giving six passes to first, five being struck by pitched balls. Cloyes held the visitors to seven hits, striking out seven.

The second game of the series will be played Sunday at the Tualatin field, batteries for both teams probably unchanged.

Twenty-Eight Young People attend Bible Class

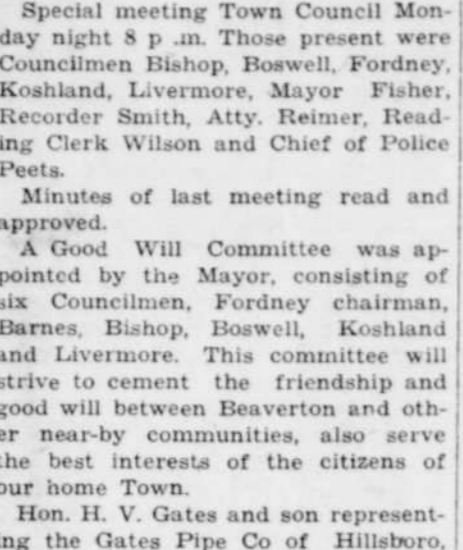

Twenty-eight young people met at the Bible Class held Wednesday evening at the R. B. McMinn home on Canyon road. The devotional services were led by Genevieve Carter. Harry West continued his discussion of "Sin." The next meeting will be devoted to a series of colored slides picturing "Sin." At the close of the discussion punch and cookies were served by the hostess.

IF YOU HAVE SOMETHING TO

sell it, let the classified advertising department of this paper prove its ability as a speedy and efficient sales medium.

Arland Whitmore of Laurel, was taken to the Emanuel hospital Sunday night suffering injuries to his right leg received when he was kicked by a cow on his farm.

Death Separates Twins

Oregon's 85-year-old twin sister and brother, Mrs. Rachel F. Walker and H. B. Coffey, came to the end of a long and happy association this week with the death of Mrs. Walker.

Beaverton, Or., July 21.—Death stepped in this week to end the long companionship of Mrs. Rachel F. Walker, 85, and her twin brother, H. B. Coffey, when Mrs. Walker died at the pioneer family home at Walkers corner. They were believed to have been Oregon's oldest twins.

Mrs. Walker was born in Pitts county, Missouri, July 8, 1848. She died July 17. She was the youngest of 11 children of Colonel R. M. Coffey. Her mother of Mary Bradford, a descendant of the Bradford family which came over on the Mayflower.

The Coffey's and Walker's were neighbors in Missouri, and although Rachel was only four years old at the time, she could remember distinctly the exciting interest which prevailed when the Walker family with several others began their long journey to the Oregon country.

In 1871 young Robert H. Walker

"Spooky Tavern" Given at Hazeldale School

"Spooky Tavern" a 3-act play was presented before a large audience last Saturday night at the school house. Mrs. Walker coached the play and Messrs Walker, Heil, and Jeldricks stage managers Greenwald's orchestra furnished music between acts.

The last meeting for this season of the Community club will be held (this) Friday evening, July 28, at 8 p. m., at the school house. The club picnic held last Sunday at Elser grove was a decided success. Over one hundred people were present.

T. A. Cary and Mr. and Mrs. Walter Cary and their family, left last week on an extended trip to Minnesota to visit relatives and friends. They went by way of California, where they plan to visit Mrs. Cary's parents who reside in Los Angeles.

Mrs. W. A. Jones returned home on Thursday after a week's visit with her relatives at Shedd, Ore. Mrs. Jones had as her guest for the week-end Mrs. Walter Jones, of Portland.

Mr. and Mrs. William Laird, who have been guests of Mr. and Mrs. J. C. Smith the past week, left on Monday for their home in Seattle. They were accompanied by J. C. Smith, who will spend a few days with them. Mrs. Smith and Jean left Wednesday to join him in Seattle enroute to Victoria, B. C., for a couple of weeks.

Mr. and Mrs. George Duncan and their son James, of Victoria, B. C., spent Saturday with the Smith family.

The marriage was announced last week of Rufus Santoro and Lorraine Skene of Roy. They were married last January.

Mr. and Mrs. Oliver Compau left on Friday of last week to maketheir home with relatives in Boise, Idaho.

Mrs. Courtney Syverson and her young son of near North Plains, have spent the past week with her parents Mr. and Mrs. Paul Leopold.

Berger Johnson of Beaverton, was injured internally last week when his rock truck went over the bank by the Rosedale bridge on the river road. Mr. Johnson is slowly recovering.

Beaverton Grangers are Guests at Funston Home

Sixty-three were in attendance at the picnic supper Thursday evening July 20, when Mr. and Mrs. A. S. Funston were hosts at their home on the old Canyon road to the Beaverton Grange members and friends. A group of Boy Scouts from Portland entertained by giving the purpose and codes of their order. A social hour was spent singing songs and toasting marshmallows.

470 ACRES HAY

Monday P. J. Kelley began harvest this week for curing hay.

Ten mowers cut sixty acres the first day. Conditions are ideal for this week for curing hay.

Wednesday at the Hazeldale quarry Earl Fisher fed 100 car loads of rock through the crusher. Arthur Mills is foreman again this summer.

Beaverton Jewelers Run Joint Advertisements

An ad which created unusual interest last week was that of H. Kellington and A. E. Wilson, two separate jewelers concerns of Beaverton, who advertised their wares together in one ad, letting everyone know they were still in business.

It speaks well for two men, in the same kind of business, who will work together to advance their line of work.

Much could be accomplished if every one, no matter in what line of business, or whether a city or town, would co-operate and work together, forgetting their differences, for a better business, or town.

Lou Kain Asks News of Daughter

Postmaster Hanna has received a letter from Lou Kain, of 109 Fredrick St., Bing, N. Y., asking for news of his daughter Mary, about 18 years old. He is very ill and wants her to write at once. His former wife Victoria, was remarried in 1919, but he does not know to whom. Anyone knowing about the girl please write to him.

New Voting Precincts Formed Due to Increase in County Population

Washington county court has been required to establish several new voting precincts, due to the increasing population in the county. Precincts at Aloha, West Beaverton and East Beaverton were abolished. In their place precincts were established at West Slope, South Beaverton, North Beaverton, Southwest Aloha, Southeast Aloha, and North Aloha. Boundaries of Garden Home, Metzger Kinton and Reedville precincts were changed.

There had been as many as 700 registered in some of the precincts. Now there are between 20 and 300, according to H. D. Kerkman, county commissioner.

CARD OF THANKS

We wish to thank our many friends for their appreciated kindness and sympathy shown us during our dark hours of sorrow and in the sickness and death of our beloved mother, the late Mrs. Rachel F. Walker and for the beautiful floral offerings.

MR. AND MRS. SAMUEL C. OLDS

Athletic Movement at Huber Draws Large Audiences to Smoker

The first smoker held at the Huber hall under the sponsorship of the athletic contest movement recently started, turned out to be a surprising success last Thursday.

A large crowd gathered to see the local boys put on the milts and they were well rewarded. Both wrestling and boxing were in evidence and while the action was going on the crowd made known its favorite by plenty of noise.

Mr. Johnson's wrestlers are showing up great. Due to not having had a mat on which to train much prior to this smoker, the wrestlers were a bit handicapped but there will be plenty of wrestling ability to show at the next smoker to be held Thursday August 3rd.

A great deal of enthusiasm is being demonstrated by the boys in their attendance at workout nights Monday and Thursday of each week. Some times as high as 2 for 30 being present.

The customers went right down in the sock for anything up to half a buck when the hat was passed around and although no other charge was made, when the hat was dumped out on the mat better than six iron men had been kicked in to pay for the ring which had been constructed.

The next big idea the boys have in mind is to pay for the wrestling mat. They expect to do by putting on a ticket sale for the big Friday night shindigs being held by the dance committee also at the Huber Hall.

A cordial invitation is extended to both young folks, and men and women of the surrounding communities to attend these smokers. They are held in the interest of sound athletic training, the contestants are local boys and men, and the entertainment is good clean sport.

Plans Being Formulated to Organize Contract Bridge Association

It has been brought to the attention of the Bridge Columnist of this paper that plans are being made to form a Contract Bridge Association, which will include the following towns, Metzger, Maplewood, Tigard, Capitol Hill, Multnomah, Garden Home and Beaverton.

Those who are interested in starting such an association and getting it started by the middle or last of September, please get in touch with the Bridge Columnist of this paper, as soon as possible, enclosing a self addressed and stamped envelope for replies.

Groups of two tables or more to a section, is the plan, and then twice or three times during the winter and early spring, all the groups could meet and hold a tournament, to determine the best teams of the association.

Your bridge problems will also be given attention, by the Bridge Columnist of this paper, and all problems or discussions each week will appear in the bridge column, as space will allow.

"SPOOKY TAVERN" PACKS THE HOUSE

Mary Grand reports that the play "Spooky Tavern" was a huge success at the Hazeldale school house Saturday night \$22.30 was taken in at the box office—which will be used to good advantage by the Literary society.

Miss Grand hopes to sponsor another play as successful after her vacation. Those present at Saturday night's entertainment had a good time.

Have your prescriptions filled at Browns Beaverton Pharmacy.

Those serving on the election board in the Garden Home precinct were Fred Sipe, Ted Adams, Mr. Barnes, Mrs. S. B. Lawrence, and Mrs. Laura Howard. Those serving on the counting board were Mr. Sutter, Mrs. Guy McCormic, Mrs. Otto Johnson, and Mrs. Stanley Hager.

There are opportunities in using our columns to broadcast your merchandise values to the public.

"Eddie's sure sore today."
"How come?"
"He took his girl to Tony's for lunch. While they were dining she discovered a fly in the soup. 'Waiter!' she says, 'remove this insect!'"
"Well!"
"They threw Eddie down two flights of stone steps."

Save Money On Your Photograph

by having your picture taken now at the Hofstetter Studio, 165 1/2 Third St. They do such lovely work. . . and a fine 8x10 framed photograph or 1 doz. 3x4 miniatures are a very special value at only \$1.00.

ADJUSTMENT ACT TO PLACE WHEAT ON 1910-14 LEVEL

Committee Appointed to Divide County up Into Units for Meetings

WM. F. CYRUS
County Agent

To put wheat where it will buy as much for the farmer as it did during the periods 1910 to 1914 is the aim of the agricultural adjustment act, according to P. V. Maris and W. L. Teutsch, of the extension service, who explained the act to Washington county farmers at Hillsboro and Sherwood last Thursday and Friday. Growers attending the meetings requested that preliminary steps be taken toward the formation of a county wheat acreage control association.

One committee has been appointed consisting of W. J. Enschede, Hillsboro; A. L. Croen, West Union; J. M. Vanderzanden, Banks; Glen Ritchey Forest Grove, Gustave Krause, Cornelius, Fritz Elmer, Sherwood, and John Nyberg, Tualatin. This group will divide the county into districts preparatory to holding meetings in each of the districts as soon as application forms for allotments and contracts are received from the secretary of agriculture. Those farmers in each district who take advantage of the wheat act will elect one member to the quarterly asked. Latest government fig-uzation. This board of directors will be the governing body of the county association.

As explained at these two meetings, by Maris and Teutsch, the wheat act, if taken advantage of by every farmer in Washington county who grows wheat, would entitle the grower to the sum of approximately \$110,000. The county has an allotment of somewhere near 412,000 bushels which amount represents about 62.5 per cent of the average annual production in the county for the last five years. The exact amount of the acreage reduction to be asked has not definitely been decided upon but it is definite that it will be somewhere between 15 and 20 per cent of each individual grower's average annual acreage for the years of 1930, 1931 and 1932. The grower agreeing to reduce the acreage in the amount designated by the secretary of agriculture will then be eligible to receive the adjusted compensation payments on probably 62.5 per cent of his average annual production for the three year period named. Two-thirds of the payment is expected to be paid to the cooperating grower on or about the 15th of September, 1933. The balance is apposed to be paid when it is definitely established that he made the reduction in acreage agreed upon.

An illustration using the acreage and production of a Washington county farm might best show how the wheat plan will apply.

Year	Acres in wheat	Bushels havat
1930	30	900
1931	21	785
1932	24	720
3 Year Total	75	355

Average annual Acreage, 25 Ave. Annual Pod. 785 bushels.

Assuming that the reduction asked will be 20 per cent and the domestic allotment basis of 5-8 will apply, this grower's acreage quota would then be 20 and his allotment would be 490 bushels. Again, assuming on adjusted payment of 28 cents per bushel, which is the present processing tax less the estimated cost of administering the act, and a farm market price of wheat of 80 cents per bushel the income from the wheat enterprise on this farm would be about as follows:

(If he volunteers to adopt the wheat acreage reduction plan) 20 acres of wheat yielding 30 bushels per acre equals 600 bushels. 600 bushels at 80c is \$480, plus \$12.30, benefit payment on allotment of 490 bushels equals \$617.20, total return.

(If he does not reduce his acreage and grows the usual amount) 25 acres at 30 bushels per acre, 750 bushels, 750 bushels at 80c \$600.

Why reduce the acreage when it is remembered that this year we have a very short crop, is a question frequently asked. Latest government figures indicate a wheat carryover of approximately 360 million bushels, as compared to a normal carry-over of about 100 million bushels. Latest official estimates for the 1933 crop indicate about 485 million bushels with an average annual domestic human consumption of 450 million bushels. An average annual wheat crop is about 800 million bushels.
