HIGHLAND TAVERN
When Meal Time Catches You in Portland, Stop at The Highland Tavern and Enjoy a well Cooked Meal At a Most Reasonable Price. This Restaurant Never Closes and every Hour of the Twenty Four is Spent in making Satisfied Customers. Our readers Will be Pleased to Learn that The Highland Tavern is now Working under the Serveteria Method from 11 a. m. to 9 p. m. Daily.
The Highland Tavern, whose new number is 815 Broadway, has always had a name for doing more than their share in pleasing the public but we feel that they have gone further than ever in their efforts to please the public under the Serveteria method. The Serveteria method consists of both the Cafeteria and Restaurant style of service but instead of standing in line as in a Cafeteria, you seat yourself at a table, order from a menu and get the same high service that this restaurant has been famous for. But! You pay no more than if you had taken your tray and picked out your food as you passed along the counter.
The food at the Highland Tavern is prepared in such a way that the thought at once comes that there never was such a good place to eat. Poor eating places are not the exception by any means. It is a pleasure to have such a modern and up-to-date place as this at which to refer the stranger as well as the local people.
