

Bad Roadway Cause of Garden Home Bus Wreck

One of the small Garden Home buses was wrecked at Greenburg Wednesday when the steering rod was broken after hitting one of the numerous holes in the highway. Only two Tigard ladies were in the bus at the time, who fortunately, were not hurt.

After the wreck C. C. Edwards, owner of the buses, stated that they would have to remove some of the service between Tigard and Garden Home unless the roads were repaired.

The County Commissioners were bitterly condemned at the public meeting Wednesday evening for permitting roads in this part of the county getting into such deplorable condition. Roy Floyd, of Garden Home, C. Conklin and J. O. Johnson of Metzger, and J. Leslie of Tigard, were asked to appear before the county court and commissioners and request that additional equipment be supplied for repair work and that this district be divided as it was too extensive a territory for one road foreman to properly supervise.

Motorists Warned to have New License Plates Jan 1

Owners of all motor vehicles which appear on the highways of Oregon on and after January 1 without being equipped with new license plates will be subject to arrest and prosecution, Charles P. Pray, superintendent of the state police said. Pray indicated that the license law would be strictly enforced.

MISS OMA BELLE EMMONS BRIDE

Miss Oma Belle Emmons became the bride of William Frederick McBea at the home of the brides brother in law and sister Mr. and Mrs. R. G. Kelly at Brush Prairie, Wash. Sunday afternoon, Dec. 24, in the presence of relatives and friends. Little Jean Emmons, niece of the bride, was the ring bearer. Mr. and Mrs. Victor Emmons sang "I Love You Truly." Three other brothers sang also. A reception followed the services.

The bride is well known here, having taught in the Beaverton grade school, making her home here for a number of years. She is now superintendent of the Training school at Independence, Oregon, which position she has held for a number of years. Mr. McBea has been connected with the Booth-Kelly Lumber company at Eugene for many years. They will make their home at Independence.

ANNOUNCING NEW REDUCED GAS RATES FOR HOUSEHEATING

The Portland Gas & Coke Company's application for a reduction in househeating rates in this area has been granted, effective November 20th. Gas rates for househeating in this city are now almost as low as rates in many cities having natural gas.

Here are some monthly comparisons of the old and NEW rates:

AMT. OF GAS USED	IF BILLED OLD RATE	NEW RATE	MONTHLY SAVING
10 thousand cu ft.	\$ 6.43	\$ 5.22	\$ 1.21
20 thousand cu. ft	11.80	8.55	3.25
30 thousand cu ft	17.17	11.87	5.30
40 thousand cu ft	22.53	15.20	7.33
50 thousand cu ft	27.90	18.52	9.33

Proportionate reductions on large gas consumption

This ideal fuel can now be enjoyed at a lower cost than ever before, with convenient, controlled heat for the cold winter days. Gas is clean, safe, healthful and uniform. It is instantly available 24 hours a day—every day. Ask us to make a survey of your househeating problem. Our service engineers give cost estimates without charge. You are under no obligation for this service. We have some information about conversion gas burners—ask about them.
