XVI Local Awards

In troop 41 there are a group of awards designed to commend individual accomplishment.

For patrol leaders who desire to conduct hikes, the hike leader's warrant—through examination—discovers if they are fit.

For members of the bicycle club there is an expert cyclist certificate for passing rigid requirements. For example, "pass cycling merit badge" and go on four overnight bicycle hikes at least five miles away.

An honorary club is formed by scouts who have received the Indian title awards for excellence or noticeable improvement in some line of scout work.

For scouts who have shown a regularity in the hiking and camping phases of scout work, and have enjoyed themselves outdoors throughout the year—hiker's awards in a group now known as the "campers' clan" are given annually. At the last meeting four scouts were given these leather badges to be worn on their merit badge sashes.

The end.

Morning Services Multnomah school Sunday 11 a. m. Sunday School 11 a. m. Wednesday evening meetings at 8 p. m.

"Spirit" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 11.

The Golden Text is "The fruit of the Spirit is in all goodness and righteousness and truth." (Eph. 5:9)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Bless the Lord, O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy diseases" (Ps. 103:2, 3).

The Lesson-Sermon also includes the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Our beliefs about a Supreme Being contradict the practice growing out of them. We admit that God has almighty power, is a very present help in trouble; and yet we rely on a drug or hypnotism to heal disease, as if senseless matter or erring mortal mind had more power than omnipotent Spirit." (p. 292)

School Census Shows Decrease

Completion of the school census in Washington county revealed that there are 309 less children between the ages of 4 and 20 in the county this year than last. There are 482 boys and 443 girls listed this year, according to Mrs. Zola Morgan, assistant county superintendent.
