Tillamook county, wish to join in this endorsement and appeal. Mr. Botts has lived among us since 1901, has established a high reputation as a lawyer and a man. His qualifications for the office are outstanding and are conceded by all, including the opposing candidates. No argument can be raised against him, except that he is from Tillamook county. In a spirit of fairness to Tillamook county, this now is an argument in his favor.

We are sure he will fill the office properly; that his services will be satisfactory; that he will have no favorites but will give fair and courteous treatment to all.

We assure you of his strong support in Tillamook county and of the great appreciation which will be felt here for the support you may give him in the primary election.

Re-Elect

J. O. JOHNSON

State Representative

A Representative who supported Legislation desired by the people of Washington County.

He voted three times against the Sales Tax as a member of the House of Representatives because the people of Washington County opposed such Legislation. He supported, and if re-elected will continue to support public distribution of hydroelectric energy, lower gasoline prices and tax, and reasonable liquor control legislation.

Return experienced men to the Legislature

Vote 32 x Johnson, J. O.

LOWER
PROPERTY TAXES

The object of the Sales Tax (expires automatically June 30, 1930), is two-fold: (1) to maintain rural and city school standards and prevent shortening of school terms by providing needed cash which delinquent property taxes cannot provide; (2) to lower taxes on real property.

Need for rural school relief has been admitted by sales tax opponents. At 1933 special session of the legislature, they introduced various makeshift measures that transferred state funds (needed for blind, insane, orphans) to schools. All these bills were rejected by your elected representatives. A Sales Tax was proposed by a Grants Pass farmer-Granger, and passed.

Why is the Sales Tax Being Opposed? Because Opponents Oppose It "As a Theory" Choose Between a "Political Theory" and Actual Cash Saving on Your Annual Tax Bill.

On May 18, you will vote to uphold or reject this two-year Sales Tax.

GILL ADMITS TAX SAVING—Authority for statement that Sales Tax will actually reduce your property taxes is Ray W. Gill, State Grange Master. In Lakeview Tribune, March 22, 1934. Mr. Gill wrote: "As far as my brother and I are concerned, we would save money by the adoption of the Sales Tax, for the reduction on our property would be about \$110." Mr. Gill and his brother would have to spend \$616 a month on taxable items before their Sales Tax would equal their property tax saving! No tax on rent, doctor bills, insurance, commercial feed. Only 1c tax on \$1 purchase!
