

Grade School News

Continued from Page 1 border adds much to the color and cheerfulness of the room.

If anyone sees a big, stuffed, ferocious-looking animal taking a little second grade pupil to school, don't get excited or alarmed. A big zoo of stuffed animals, is going to be an additional study in the second grade.

They guarantee a big zoo with many animals among which, in all probability, you will find some creatures with whom even you do not boast an acquaintance.

Therefore, visit the Beaverton zoo sometime in the near future. The pupils were sorry to hear that Delores Berg is ill with the measles. They wish her a speedy recovery.

Monday Mr. Kraus, Washington County School Superintendent, delivered 50 new library books to the grade school.

The books are beautifully illustrated and will give some children many a happy hour.

Mr. Bushnell plans to organize a grade school band and he hopes to make it one of the largest in the county. The school buses will be held every Thursday afternoon from 3 o'clock to 4 o'clock in order to permit everyone to join either the band or some club.

The fire squad has been organized with Glen Jones as the chief, Herbert Harrison, Gale Emmons, and Donald Wegner captains.

Other members of the fire squad are James Lawlor, Kenneth Medlock, Anton Bozich, Woodford Hohnstein, Cecil Yocum, Ronald Knepfer, William Graham, Bobby Shively, Jack See and David McMinn.

The purpose of the squad is to keep the school grounds clean, man the hoses and see that the fire apparatus is ready at all times, and to take an active part in fire drills.
