

B. H. S. NEWS

A student Body meeting was held Friday, November 9th, Alda Lehman and Agda Mattson gave boost talks for the annual. Mr. Norvell sent one of his racing dogs up to the meeting for the students to see. If Beaverton High School won the Forest Grove vs Beaverton game Armistice Day the dog would become our mascot. In its races it would run under the name of the score made at the game. On one side of its racing jacket would be the score and on the other a large B. Thus our school would be advertised in every race which the dog participated.

On Armistice Day the big battle was fought out on Pacific university football field. Forest Grove won a victory of one point over our team 6-7.

An Armistice Day program was held Tuesday, November 13. The Student Body led by the Glee club sang such songs as "Till We Meet Again," "Keep the Home Fires Burning," and "There's a Long, Long Trail." Several speeches were given on the Armistice.

Mildred Twohy spoke on the "Meaning of Armistice." Donna Broad recited "In Flanders Field." Markey Sayer pointed out the "Horror of War."

A Senior class meeting was held during the 5th period Tuesday. Class pictures and their prices offered by different studios were discussed.

The Seniors have become the Interclass champions of the tournament held in the school.

The date set for the Public Speaking play, to be presented at the High school, has again been postponed. However, it is to be given November 14th at Kinton Grange Hall.

The Student Council held its monthly meeting Wednesday morning. They decided to have a band concert followed by a Student Body dance on the evening of December 7. Wednesday afternoon the Great Raymond was introduced to the Student Body by Reverend Charles F. Clarke. The magician told of some of his experiences before audiences in other lands. He spoke of entertaining nobilities in Europe.

Katherine Denney spoke on the annual drive. Mr. Metzler said that if 52 more annuals were sold or a goal of 200 annual sales was reached by the end of this week that our school could have its annual.

An annual race is on. Each class is represented by a line of different colored chalk which advances as more annuals are sold. The class in the lead is represented by an airplane, next in the race by a steam engine, then an automobile. The class with the smallest number of sales is represented by a horse and buggy.

On a water soaked field our men outnumbered Hillsboro's heavier team by a score of 12 to 0. In celebration of the victory a dance followed immediately after the game in the High School gym. Greenwald's orchestra furnished the music.

English 7 classes have been studying debate this last week. Friday both classes had a debate. The 5th period class debated "Resolved: That Stepping on Angeworms is a Crime worthy of Light Punishment." The affirmative speakers were Markey Sayer and Aletha Hulett. Frances Holboke and Aletha Hulett, Francis negative, received the decision.

The 6th period class debated "Resolved: That Nothing Is." The affirmative's case was upheld by Delbert Burke and Charles Martin. The decision was given to the negative consisting of Harold Huff and Rhoda Thying.

There was an assembly meeting November 6th. Mr. Metzler announced that the school has a silver cup that it awards to the best annual salesman during annual years.

The public speaking class was represented by three of its members for the entertainment. Donald Walker campaigned for Joe Dunne as candidate for governor, Francis Holboke spoke for General Martin and Delbert Burke for Zimmerman.

During 5th period, Tuesday, the Torch Honor society met several committees were appointed by President Nyland. A new entertainment committee consisting of Mildred Twohy, David Mason, Virginia Cranford and Elizabeth Boekli was chosen a Christmas party committee containing Helen Benson, Florence Vasiloff, Gloria Rollins and Helen Kurovski and a committee for the January 9th meeting, Donna Broad, Markey Sayer, Raymond Rugland, and Robert Jackson. The committee which was responsible for the program of this meeting consisted of Carl Cornils, Delbert Burke, Evelyn Alexander, and Aletha Hulett.

Carl Cornils presented a brief history of political parties. Evelyn Alexander and Delbert Burke spoke on

the question "Political Parties do More Harm than Good."

The question for debate on Tuesday in the Public Speaking 1 class was: "Resolved: That the Chain Store is a Detriment to the Community." Kenneth Waldeie and Edwin Blatter upheld the negative and their opponents of the affirmative were Warren Haley and Henry Dickman. The decision was in favor of the negative. Wednesday the affirmative challenged the negative to a return debate which was accepted. Another debate was held Thursday. The question was: "Resolved That Education should be Equalized Throughout the Nation." Raymond Rugland and Markey Sayer of the affirmative and Aletha Hulett and Oliver Stein of the negative. The affirmative were unanimously defeated.

GRADE SCHOOL NEWS

(Left from last week)

Hallowe'en was remembered by parties in each room of the grade school. Refreshments were served and many interesting games played. Everyone had a good time, and the only regret was that each month didn't have a Hallowe'en.

The spelling contest in the sixth grade was brought to a close. Jack See's side was the loser, therefore his side supplied the entertainment and refreshments for the party.

Now they have an individual spelling contest. Each person is given an opponent of equal spelling ability. Each pupil tries to earn more marks for the correct spelling of words than his rival.

The social club have decided to give a party upon the last Wednesday of each month. It will consist of plays, poems, speeches and anything connected with grammar.

The fifth grade now have 39 pupils, Ethel Bucke entering last week. The class is now learning how to reduce fractions in arithmetic.

In the second grade room one will see a delightful little Indian village in connection with an Indian project. Sally Meyers from Portland, has joined the class.

The fourth grade members made some very attractive free hand drawings of the Mayflower.

In the reading class the eighth grade is going to join "The Children's Book League." Each school month a book is read by the student. At the close of the year a list of the books and their authors read by each pupil, is sent to the Oregon State Library at Salem. In return the child receives a certificate from the State Library which entitles him to a grade of 90 in his class work.

The mid-week service continues to be profitable and inspirational to those attending. Visitors to these meetings have commented on the fact that so many of the real young folks are free to take part in these services. Anyone not attending these meetings is missing much that the church has to offer.

Preaching as usual next Lord's Day, morning and evening by Bro. Putman.

Services for the day as follows: Bible School 9:45 a. m.; Communion Services followed by preaching at 11

Church of the Nazarene
Rev. Willard P. Andersen, Pastor

Rev. Richard Taylor will continue with us for Friday night at 7:30 and Sunday at 11 a. m. At 6:30 Sunday evening there will be a very interesting service consisting of special singing, congregational singing and an open testimony service. At 7:30 a rousing evangelical service conducted by students from the Port and Bible Institute. There will be special singing at each of these services.

Sunday School 9:45 a. m. Wednesday Prayer and Bible study 7:30 p. m. All are welcome.

CHRISTIAN SCIENCE CHURCH

Morning Services Multnomah school Sunday 11 a. m. Sunday School 11 a. m. Wednesday evening meetings at 8

"Mortals and Immortals" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, November 18.

Among the citations which comprise the Lesson-Sermon is the following from the Bible, "The Spirit itself beareth witness with our spirit that we are the children of God. And if children, then heirs; heirs of God, and joint-heirs with Christ" (Rom. 8:16, 17).

The Lesson-Sermon also includes the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "In Science man is the offspring of Spirit. The beautiful, good, and pure constitute his ancestry. His origin is not, like that of mortals, in brute instinct, nor does he pass thru material conditions prior to reaching intelligence. Spirit is his primitive and ultimate source of being; God is his Father, and Life is the law of his being" (p. 63).

Beaverton Locals

Miss Mabel Richter visited friends in Multnomah Tuesday.

Misses Merle Davies and Elva Rossi spent the week end at Roseburg visiting Mrs. Ada Addison.

Albert Rossi and Leo Bernardini were duck hunting at Schoils Sunday and were successful in getting several birds.

Gus Kale of Yankton, was a week end visitor of his sister, Mrs. Wayne Rice.

The Methodist Forum was entertained at the home of Mr. and Mrs. B. Groseclose on Monday evening.

An interesting business session was held in which plans were made for a carnival to be held early in December. Watch for further announcements about this as it is going to be good. You are invited to attend the Forum which is held each Sunday afternoon at 3 p. m. at the M. E. church.
