Oregon Law. . .

An interesting story comes out of Medford relative to Legislators. Moore Hamilton was elected to the State Legislature to succeed Ed Kelly. Hamilton now lives in the same house Kelly lived in when elected. Kelly's had a child about that time and Hamilton's now also have a baby Kelly went to the Legislature, and now Hamilton. Kelly now has a Federal job and, perhaps, that is the aspiration of Hamilton as well.

A movement has been started to urbe Governor-elect Martin to retain Max Gehlhar as Director of Agriculture.

... It's a proud man indeed who gives his wife just the gift she wants. And fortunate, too, when that gift is a new gas range, because it assures him successful cooking and better meals.

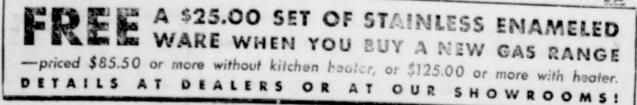

Combining the latest trends in styling with every necessary convenience, modern gas ranges are unequalled cooking appliances. Because they burn gas, their heat is instantaneous, dependable, clean and uniform. They offer an unlimited

selection of temperatures, enabling you to follow any recipe exactly and without waste of fuel. Since gas gives you more heat per dollar than any other convenient fuel, cooking with gas is not only the best way but also the most economical.

1935-model gas ranges come in delicate pastel tints and in glearning white with contrasting trims. In the displays at dealers and in our showrooms, you can easily find the gas range that seems "tailor made" for your present kitchen. See them at once so that you can give "Santa Claus" advance notice of just what you want for Christmas.
