

**Chehalem Potato Club
Hold Annual Banquet
at Schmeltzer Home**

The Chehalem Mountain Potato club held its third annual banquet and potato show at the home of the leader, John Schmeltzer, Friday night, December 7, reports L. E. Francis, assistant county agent. 28 club members, parents and friends were present. Dinner was served followed by short talks from the officers of the club and parents of the club members.

The potato exhibits were judged by Ervin Atrops, a senior member of the club. The five exhibitors placed in the following order: Geo. Allison, James Allison, Helen Schmeltzer, Raymond Hornbrook, Fred Nystrom. The Larkin-Prince Hardware company of Newberg, Oregon, offered a potato knife as one of the premiums awarded to the exhibitors. The other premiums were donated by Mr. Schmeltzer.

For Outdoor's People

On entering the Portland Outdoor Store at Third and Oak streets in Portland, one notices immediately the feel of the great outdoors for this idea is carried throughout the store's decorations.

Everything needed in clothing, camping equipment and sports accessories may be had at this store and only fresh, quality merchandise is carried at very reasonable prices.

An Xmas Invitation

We dropped in Mr. Freck's stationery and printing company to select cards for Christmas.

Mr. Freck, residing at Garden Home, extended his invitation to the people of the Tualatin Valley to allow him to personally care for their needs in personal, family, or comic cards, which cover all needs and moods of the purchaser, as well as fountain pens, leather goods and office needs.

For your convenience, Mr. Freck's store is open till 9 p. m. and is located at 811 S. W. 6th avenue, between Yamhill and Taylor streets.

Gilbert

James J. Gilbert has opened an Optical and Jewellery Store at 819 S. W. Morrison street near 9th avenue. Jim, born and raised in Portland, has been associated with one of the large local jewelry concerns until about a year ago when he moved to Los Angeles where he did post-graduate work under Dr. Harry Fouq, recognized as one of the leading optometrists on the Pacific coast. All types of jewelry will be stocked in this new modern store, as well as nationally known brands of watches. The optical equipment is of the very newest and most scientific. New chrome steel chairs with air cushions afford patrons complete relaxation.

His Terrifying Experience

Miss Gushin—It must be wonderful to be a parachute jumper. I suppose you've had some terrible experiences. Parachutist (fed up)—Yes, miss, terrible. Why, once I came down where there was a sign "Keep off the Grass."
