Pop McElroy Scores Again

For years J. C. McElroy, more generally known to the lovers of the dance as "Pop" or Cole McElroy, has been bringing the big name bands of the nation to the Pacific Northwest. Now comes the name of Guy Lombardo and his Royal Canadians to the famous McElroy Palm Gardens in Portland, Oregon.

With this announcement "Pop" surmounts all of his previous endeavors as an impresario. Guy Lombardo stands at the top of the ladder where ever music lovers and dance-public may be. The dapper young Canadian won with his famed dance orchestra the radio slogan "the sweetest music this side of heaven."

A word of warning was announced by Cole McElroy yesterday in which he said that the capacity of the Palm Gardens was limited and that patrons must order their tickets early. Those living outside the city of Portland may send mail orders, using personal check or money order with self-addressed stamped envelope for safe return for the tickets.
