Mother's Day

Sunday May 12th
 MBD 290 May 35

Remember your Mother on Mother's Day—as if you had to be reminded! Does she live in town? Surprise her Sunday . . . drop in on her, take her for a drive, give her something nice and unexpected—it doesn't matter how small a gift you choose! Does she live away? Then write her now—telegraph her or call her long distance—or, best of all, gladden her heart with a visit in person and a gift she'll adore in your bag! Her sincere appreciation will warm your heart for days and months to come.
