### A Universal Favorite

The position of ice cream in the realm of foods has changed rapidly within the last few years. From being merely a sweet dessert served at the end of a meal, it is now considered a wholesome as well as satisfying food in itself.

Home made ice cream sundaes are easy to make and what pleasure they can add to even the most ordinary meal. The joy of making sundaes for them lies in the fact that they can be made several days ahead of time and stored in the refrigerator, or in a cool place—ready for any meal.

Here are two sauces that are always favorites for ice cream sundaes, if you are looking for an unusual recipe for a delicious ice cream to make in your own refrigerator, you will want to try the one included today.

#### Pineapple Sundae Sauce

1/2 cup sugar  
1/2 cup water  
1 cup Crushed Pineapple  
Boil sugar and water five minutes. Add pineapple and cool. Serve over choice of ice cream. Mint or wintergreen flavoring gives this sauce an unusual flavor.

#### Butterscotch Sauce

1 1/2 cups brown sugar  
2-3 cup corn syrup  
4 tsp butter  
3/4 cup cream  
Boil sugar, syrup and butter to a soft ball stage. Add milk Serve hot or cold.

#### Fresh Strawberry Ice Cream

3 tablespoons cornstarch  
1/2 cup light corn syrup  
2 cups milk, scalded  
1-3 cup sugar,  
2 egg whites  
1 cup cream  
1 cup fresh strawberry pulp  
2 tsp sugar

Combine the 1-3 cup sugar with cornstarch and add to hot milk. Cook until mixture is slightly thickened. Add corn syrup and salt. Mix thoroughly and cook for 10 minutes over low heat. Mash berries with a silver fork and sprinkle 2 tbsp sugar over top. Let drain. Add to cooked custard. Cool. Whip egg whites until stiff and dry. Fold into cooled custard. Add cream which has been whipped to a thin custard consistency. Pour into freezing tray and freeze until firm. Stir only once and then when the mixture is about a mush consistency. Makes 1 quart.

### CHRISTIAN SCIENCE CHURCH

Morning Services Multnomah school Sunday 11 a. m.  
Sunday School 11 a. m.  
Wednesday evening meetings at 8

### "Christian Science" is the subject

of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 30. Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The entrance of the words giveth light; it giveth understanding unto the simple" (Ps. 119-130).

The Lesson-Sermon also includes the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Divine Science derives its sanction from the Bible: 'The entrance of thy of Science is demonstrated through the holy influence of Truth in healing sickness and sin. Acquaintance with the original texts, and willingness to give up human beliefs (established by hierarchies, and instigated sometimes by the worst passions of men), open the way for Christian Science to be understood, and make the Bible the chart of life, where the buoys and healing currents of Truth are pointed out" (pp. 146, 24).

### CHURCH OF CHRIST

M. Putman, Minister  
A playlet, "The Wayfaring Man" will be given by the young people next Sunday evening at 8 o'clock. Also at this time the announcement will be made as to the winning group for the three previous Sunday evening programs.

A summer attendance campaign of Bible Schools in and adjacent to Portland, is being instigated in which our school is taking part; we will report more of this later and urge a full attendance in Bible School.

Bible School Sunday 9:45 a. m. will be followed by Communion services and preaching by pastor at 11 o'clock. Young People's society meets at 7 o'clock. Wednesday evening at 8 o'clock, midweek service followed by choir practice.

We cordially invite you to all of these services.

### CONGREGATIONAL CHURCH

Charles F. Clarke, Pastor

There will be a very interesting service next Sunday at 11 a. m. Mrs. G. A. Odgers, wife of Prof. A. G. Odgers, now of Pacific University, and soon to take up his work as Principal of Gooding, Ida. college, will speak as "A Woman of a New Day in India." Mrs. Odgers will be dressed in native costume and this will probably be the last opportunity for those in our neighborhood to hear her as she goes to Gooding in a month. The Odgers were in India several years. The Bible School will meet at 9:45. There will be no other services this Sunday.

For a  
SAFE  
FOURTH  
serve plenty of  
SANE FOOD

An eminent psychologist tells us that we are going through a time of change, and that people who slump down in their chairs and worry about the future are going to be all worn out before the change is effected. His advice is to do the next thing cheerfully, and let events take their course.

One reason why we should celebrate this Fourth of July cheerfully is that the form of our government has not changed. So let's do it right merrily, and hope that it will not change for another hundred and sixty-four years, although history does not record any form of government that has lasted that long. Do you realize that our form of government in these United States has lasted longer than that of any other country without definite change?

### A Sane Celebration

It is not necessary to burn fingers, blister noses or endanger young eyes in order to show how enthusiastic we are over our own form of government in contrast to the dictatorships and social experiments that are going on beyond the seas. So be sure to have only the safest of fireworks, and grown-ups to supervise the youngsters when they set them off.

One way to keep your celebration safe and sane is to devote as much as possible of it to the eating of safe and sane foods. There are few things that even the most adventurous youngsters would rather do than eat. In order to help you with this idea, here are suggestions for a menu and recipes that will take a lot of eating and do no one any harm. It is meant, of course, to serve outdoors, but if Nature is unkind and the skies weep, it will taste just as good in the house.

Chicken and Celery Sandwiches  
Pineapple Wheel Sandwiches  
Orange and Green Ribbon Sandwiches

Chocolate Flip  
Prune Ice Cream  
Iced Sponge Cake  
Stick Candy

**Pineapple Pinewheel Sandwiches:** Mash two packages cream cheese well, and add one cup well drained crushed pineapple. Add one-fourth cup chopped walnuts and one-fourth cup chopped pimiento. Remove crusts from loaf of bread and cut in thin slices lengthwise. Spread with softened butter, then with the filling. Roll up tightly like a jelly roll, wrap in a damp cloth and place in refrigerator until ready to serve. Slice crosswise into pinwheels. Makes 25 to 30 sandwiches.

**Orange and Green Ribbon Sandwiches:** Drain contents of one 19-ounce can spinach well, add two chopped hard-cooked eggs and moisten with a little mayonnaise. Moisten one cup shredded raw carrot with mayonnaise. (You will need one-half cup mayonnaise in all.) Remove all crusts from loaf of whole wheat bread, and cut in four slices lengthwise. Spread slices with softened butter, then put together with the fillings like a layer cake, having the first layer of spinach, the middle of carrot and the top of spinach. Wrap up the whole loaf in a damp cloth and place in refrigerator until time to serve. Then cut crosswise into sandwiches. Makes about twenty-four.

### Safe and Sane Sweets

**Chocolate Flip:** Mix together two cups evaporated milk, two cups water, two-thirds cup canned chocolate syrup and two-thirds cup pineapple syrup, from the crushed pineapple used in the sandwiches, and shake or beat until frothy. Pour over ice cubes or cracked ice in glasses, and serve with straws. Makes eight glasses.

**Prune Ice Cream:** Combine two cups condensed milk, one and a fourth cups bottled prune juice, one-fourth cup evaporated milk and two tablespoons lemon juice, and beat until well blended. Beat one cup cream to a custard, add and turn into refrigerator trays. As mixture freezes, beat once or twice with egg beater. Makes eight servings.\*

Stuff'n' Dates  
by Ned Moore

FRANKLIN WAS AMERICA'S FIRST CARTOONIST. HIS FAMOUS CARTOON "JOIN OR DIE" WAS PRINTED IN THE PENNSYLVANIA GAZETTE, OF MAY 9, 1754.

THE BODY OF BENJAMIN FRANKLIN (Like the Cover of an Old Book Its contents Aged, Old and Stale of its Lettering and Gilding) Lies Here, Food for Worms! But the Work Itself Shall Not be Lost, For it will, as he believed, Speak once more in a New and more beautiful Edition, Corrected and Amended by the Author.

THE OBITUARY OF "HIMSELF" BUT NEVER USED.

TO BENJAMIN FRANKLIN IS ACCREDITED MANY PRINTING FIRSTS, THE MOST UNUSUAL ONE BEING THE PRINTING OF THE FIRST GERMAN NEWSPAPER IN AMERICA WAS PRINTED BY FRANKLIN

"THESE MUST BE PRINTED IN THESE GLASSES"
