### The Untaxed Taxed Babson Says: "Don't Kid Yourself"

Everybody Pays

Babson Park, Mass., Sept. 6-The passage of the National Security Act is the most revolutionary step which this Adminstration has taken. Besides it, legislation such as the Guffey Coal Act, the Public Utilities Act, and the Banking Act of 1935 is picayune. I feel, however, that those who have pinned their faith on it may be greatly disappointed. Its immediate result will be to encourage the sale of laborsaving machinery, to increase the number of permanently unemployed, to retard wage increases, and to boost of goods.

THREE THINGS TO LEARN The really unfortunate point about the drive for old-age pensions and the unemployment insurance is that so many voters believe that Utopia can St. Mary's of the Valley be brought about by legislation. These short-sighted voters and their Congressmen forget that federal revenues

are collected from the people and not colleges, I want to make a personal suggestion. Urge the necessity of will open Tuesday, September 10. government and economics.

## **Beaverton Schools** to Open For Fall Term on Monday

Bus Added to Care for Increased Attendance-Few Changes in Teaching Staff

Beaverton grade and high school will open the fall term Monday, September 9th with registration at 11 a. m. Professor I. R. Metzler is in his office each day from 8:30 to 12 o'clock to meet high school students and assist them in arranging their course of study.

Transportation for grade school pupils will remain the same as last year, while another bus has been purchased for use of additional attendance in the high school.

The teaching staff of the grade school remains the same as last year with the exception of Miss Hulett, who will replace Mrs. Lowell. Other
