

Wins Sweepstakes Award

Noted Portland Hair Stylist Reaps Twin Trophy Award

Sylvia Strauch, Portland beautician won Grand Sweepstakes trophy at Berlin's Parade of Fashions & Beauty Follies of 1935 at the Olympic Hotel, Seattle, for her outstanding fingerwave and hairdress entered in open competition in this outstanding Northwest event. One hundred and fifty two models were entered by the elite of the profession in competition for this trophy. Sylvia repeated by winning Admiration De Luxe trophy for outstanding fingerwave and hairdress in open competition, styling being performed before the public gaze. Judging for the sweepstakes trophy was done by Condos eminent Chicago hair stylist who was feature artist at the event, showing hair styles in advance of New York.

Sylvia has been established in her present location, in the DeHoney Building at 2117 West Burnside for the past nine years and personally serves all permanent wave patrons. She has just completed redecorating her beautiful salon and has added a new Frederick permanent wave machine equipped with automatic time and thermostatic heat control to better serve her patrons. Sylvia also features permanent waving without overhead machine which especially relieves nervousness of younger children having their first wave.

Sylvia carefully chose the location of her establishment nine years ago on West Burnside near 21st Avenue so that patrons who drive would find ample parking space near the city center but beyond the restricted district. She attributes a goodly part of her success to this choice of location, and the instilling of faith in parents who do not accompany their children while having permanent waves, for she conscientiously performs the same high type of service for all who step into her salon.

Sylvia has indicated her willingness to advise or answer any queries which might arise in our readers' minds pertaining to beauty culture and care of the hair, or suitability of your hair-dress to your type, and she may be reached by calling BEacon 0337 or by personal visit to her salon at 2117 West Burnside. Readers seeking such advice need feel no indebtedness to Sylvia for she has made it a policy to offer her knowledge in this manner throughout her career.

A new food service in which the items cost 5c and 10c will be inaugurated at once on all Southern Pacific trains, in addition to the regular dining car service, according to J. A. Ormandy, general passenger agent.

The new service will be known as the "tray service." An attendant will serve at the passenger's seat in coaches and tourist sleeping cars, a choice of sandwiches, cookies, coffee, milk, orangeade, ice cream, fruits and similar items at a cost of 5c or 10c each. LEVER BROTHERS DISTRIBUTE COUPONS

Housewives Profit by Big Soap Campaign

An indication of the trend in modern merchandising is found in this edition of this paper, in which the grocers of Eastern Washington county tell about the big soap campaign they are inaugurating in connection with the popular products of Lever Brothers Company, manufacturers of Lux Toilet Soap, Lux, Rinsol, and Lifebuoy.

Each of the four products serves a separate and distinct purpose. Lux is especially made to preserve the fresh vibrancy of delicately colored silks, rayons and woolsens. Fabrics washed in Lux stay charmingly new looking just twice as long. Silk stockings retain their elasticity and that means longer life and better fit. And Lux in the dishpan gives beauty care to hands keeps them white and soft, at less than a cent a day.

Rinsol, housewives everywhere declare, gives whiter washes easily and quickly. In the tub this granulated laundry soap soaks cotton and linens whiter and brighter than they could possibly be scrubbed. The makers of 34 leading washing machines recommend Rinsol and 32,000 washer salesmen use it as the best method of demonstrating their machines.

Lifebuoy health soap, with its abundant, penetrating, purifying lather stops B. O. (body odor) by cleansing the pores of odor-causing waste. Washing hands often with Lifebuoy removes germs—helps prevent other contact diseases. And daily Lifebuoy facials stimulate dulled complexions—make them glow with renewed radiance.

Fragrant, white Lux Toilet Soap is the favorite of 9 out of 10 beautiful screen stars. These lovely women of the films always look young and beautiful. They never lose their youthful charm—never seem to grow a day older. Complexion care is their secret—and for years the great majority of them have depended on Lux Toilet Soap for a fascinating, youthful complexion.

Roy Scott attended the state fair Tuesday and played in the Grand Army Fire and Drum Corps. There are only three members alive. Mr. and Mrs. Robert Johnson and family visited various beach resorts over the week end.

Deafness Relieved

Now that the harvesting season is drawing to a close and our children are going back to school, we have time to take inventory of our physical well being and, especially, our sense of hearing.

It will interest our readers to know that Milton Folds, Chicago chemist, estimates that 75% of ear troubles are preventable. He advises: "Most of us would be surprised if we knew how much foreign matter such as dust and dirt, hardened wax, et cetera, becomes congested and prevents proper hearing."

School children who are hard of hearing suffer from inferiority complexes, and danger of accidents to all of us is increased if the hearing is impaired.

Many users of Urine have remarked at their ability to hear radio broadcasts and telephone conversations after a short period of treatment at home, while prior to such treatment they were denied these privileges.

Mr. A. F. Vidgoff, proprietor of Model Drug Stores, located at Sixth and Salmon Streets and at Seventh and West Burnside Streets, has long been interested in securing a remedy which would successfully cope with deafness, head noises, earache, ringing and buzzing in ears. He now has such a remedy Urine, originated by a world famous European ear specialist, which gives quick relief and costs but a few cents a day. To show his faith in Urine Mr. Vidgoff offers a money back guarantee if you are not entirely satisfied. Further details concerning this remedy are available at either of the Model Drug Stores or you may telephone Mr. Vidgoff at BRoadway 0074 or ATwater 5039.
