Employment Opportunities

STENOTYPE has been pronounced
by experts to be the easiest to
learn, easiest to write, easiest to
read of any known stenographic
method. This is due to two fac-
tors. First, it is written by ma-
chine; second, it uses the simplest
code.

We Need Operators
STENOTYPE OF PORTLAND

Jefferson Condemned Mortgaging Posterity

A writer in an Eastern magazine
says the public debt "can mount some-
what higher without disaster." The
administration has hinted that borrow-
ing can continue on an extensive scale
without over-straining the national
credit. Another question involved is
that of eventual repayment of the
debts. Much of it will be a burden
on coming generations. In that con-
nection Thomas Jefferson once wrote:
"The principle of spending money to be
paid by posterity under the name of
funding, is but swindling futurity
on a large scale."

Fresh Taxes

Congressmen who are scared about
saying out loud that New Deal spend-
ing means sure-enough fresh taxes re-
mind us of a London lady in reduced
circumstances who had to sell fish for
a living. She went about the streets
calling "Fresh fish! Fresh fish!" but
each time she added to herself: "I
hope nobody hears me!"

Rhubarb—Fore- runner of Spring

Emerging from a real cold snap
and being nearly snow-bound as we
ever become in Oregon, we are
greatly cheered by being served
something fresh and springlike, giv-
ing evidence that spring isn't too far
distant. Rhubarb is on the market
even though spring has most decid-
edly not been in the air. But for
that reason, perhaps, it is doubly wel-
come, giving us that fresh different
something we have been wanting a
long time.

Although rhubarb sauce and rhubarb
pie are always favorites there
are other ways of using it. Have
you ever tried rhubarb for the fruit
in a baked pudding or in a delicious
frozen dessert. Recipes for these
unusual desserts are given here.

Rhubarb Sherbert
1 bunch rhubarb
(5 cups)
2 cups crushed pineapple
1 cup sugar
1 1/2 cups cream
Cook rhubarb and pineapple until
rhubarb is tender. Add sugar.
Stir until sugar is completely dis-
solved. Press through a sieve.
There should be 1 quart pulp and
sirup. Chill, then add to the milk.
Turn into cold freezing tray and
place in refrigerator or freeze in a
freezer with 1 1/2 salt ice mixture.

Rhubarb Pudding
3 cups rhubarb
1 cup sugar
1 tsp butter
1 egg
1/4 cup sugar
1 1/2 cup melted butter
2 1/2 cup sweet milk
1 cup flour
1 tsp baking powder
Turn the fruit into a buttered bak-
ing dish. It should be a fairly
deep one to accommodate the batter
which goes on top of fruit. Sprinkle
fruit with the cup of sugar and dot
with butter. Make a batter of the
egg, half-cup sugar, melted butter,
milk and flour, which has been sift-
ed with the baking powder. Pour

this batter over the fruit and bake
in a moderate oven—350 degrees—for
about 30 minutes. Serve with plain
cream.

Rhubarb and Coconut Pudding
1 pound rhubarb
1/2 cup moist shredded coconut
2 tsp water
1 cup brown sugar
4 tsp butter
1/2 cup flour
Cut the rhubarb in half-inch leng-
ths and turn it with the shredded
coconut into a buttered casserole.
Dot with the butter and sprinkle
with the two tsp of water. Mix to-
gether the brown sugar and flour
and pat this down over the top of
the fruit. Bake in moderate oven
—325 deg. covered, for about 1 hour.
Serve warm with plain cream.

Hours 10 A. M. to 5:30 P. M.
