As regards to price you may rest assured that whatever you purchase here will be priced at a most reasonable figure for this establishment is in charge not only of reliable people, but people who have had wide

Everybody does not appreciate the value to a city of having a strictly modern and up to date store which carries a complete stock on hand at all times. Since the time this well known store first opened to the people the local public has taken it as a matter of course. To be able to get what you want in this line, to know that no matter what the occasion may demand in this respect you can always get it at this establishment—that is a feature of the commercial efficiency of the community which makes it more attractive.

If You Need Money for Your Holiday Shopping see the Portland Loan Co.

304-5-6-7 Dekum Bldg., Portland, Oregon
No Payments on Loans Made this Month Until After the Holidays.

With offices in the Dekum Bldg., phone AT2789, in Portland, The Portland Loan Co., renders a valuable service to the people of this community. They have met the needs of the people in a most straightforward business manner. You will be more than pleased with this modern, efficient and bank-like establishment.

This business is conducted on a high plane by its staff, men and women of high financial ability, capable business people, and highly respected in the community in which they live.

But few men have known the time in their lives when they did not need a quick loan to meet some emergency. An accident occurred in the family; someone dependent upon them took sick unexpectedly; a trip incurring rather heavy railroad fare was necessary; funds for the holidays. These times seem to come during the days when an individual is struggling financially. Few situations are more embarrassing and more trying than when one needs money and it is not available. Perhaps you lived in a strange community at the time. The bank didn't know you. The only resource is to go to some friend—and few of them are accommodating at that time.

Making a loan on Furniture, Salary, Auto, Signature, etc., is a confidential dignified transaction. You need not humiliate yourself by going to a friend and admitting that you are in need.

See the Portland Loan Co., and you will find they are ready to serve you cheerfully and capably.

A loan service such as this one is a real asset to any community. Its success, of course, is due to the high character and the financial ability of its office staff, who directs its course of affairs. They are known and trusted by everyone in the community. The rate of interest charged is reasonable and consistent with the risk.

The Portland Loan Co., is not interested in anything but a fair margin of profit, and you will find their rates are lower than the average loan co.

Listen to Tropic Trails every Sunday night over KEX. Write to the Portland Loan Co., for your passes to see the broadcast from the studios.

With Christmas but a few days away it would be wise to have your photograph taken. A dozen photographs will solve a dozen Christmas gifts.

This is a well known art center of Portland and the place where people of the Tualatin Valley will find expert professional work. They have won wide renown as artists of the first rank and makers of photographs that please.

You can secure here photographs that are considered the finest in art work, and at the most reasonable of prices.
