"Your Closest Dependable Dealer"

ART ARNOLD'S COUSIN FROM UTAH Sees a "torture test"

"Believe me," he writes, "I KNOW Hudson and Terraplane are the No. 1 CARS. I saw what they did on the Salt Flats"

"I saw a LOW PRICED car beat the best any closed car had ever done before! That 1937 Terraplane . . . a stock car, mind you, picked at random by the American Automobile Association Contest Board officials . . . went 1,000 miles out there on those great Salt Flats, averaging 86.54 miles an hour! What a 'torture test' of endurance.

"Then a Hudson . . . 2104 miles in 24 hours! Out here, we've seen a lot of stock cars come to the Salt Flats and try for that 24-hour record . . . the prize of them all. But none ever touched what we saw that 1937 Hudson do! 87.67 miles an hour . . . for a full day and night! 32 official records for Hudson . . . on top of 8 for Terraplane!

"Then those California records! Terraplane beat every other leading low priced car . . . and Hudson beat every other Eight . . . In the Los Angeles-Yosemite Economy Run. And then . . . the Wrightmore Canyon climb! Up 9 wicked, twisting miles in 8 minutes, 20 seconds for Terraplane; 8 minutes, 9.4 seconds for an official Hudson record.

"You can bet it's Hudson for me! Those people know how to build automobiles. Art. More power. More size and room. More economy and safety and endurance than any other cars anywhere near them in price, proved in official tests. I've got mine . . . and once you drive one, you'll say it's your No. 1 CAR, too! See if you don't!"

No. 1 Cars of the Low and Moderate Price Fields

No. 1 Wheelbases . . . 117 inches in Terraplane; 122 and 129 inches in Hudson.

No. 1 Horsepower . . . % and 101 in Terraplane; 101, 107 and 122 in Hudson. Double carburetion in Super Terraplane and all
