Health Check-up Given At County Health Unit

Anna Heisler of San Francisco field consultant of the United States health service, accompanied by Lucille Perozzie, educational director of the state department of health has made an inspection call at the Washington county health unit, quartered in the courthouse. Under the county health program, inaugurated early this year, the department's operation is financed in part by federal funds.

Vernonia Man Arraigned in County Court

Arrested last Monday by the sheriff's office night patrol, Kenneth Larson, 19 of Vernonia, was arraigned in the county court on a charge of obtaining money and goods by false pretense. The man is accused by a service station at Timor of allegedly having a worthless order on his pay to obtain gasoline.

Operators Offered Service in many places

To assist Washington county automobile operators in their filing of applications for renewal of licenses, the state motor vehicle department this week will send a representative to Hillsboro according to word from Earl Snell secretary of state. The state man will be at the court house from June 17 to early in July it was declared. In addition, a special examiner is to spend a day there June 30 the state department announced.

Three Hurt when Autos Collide

Automobiles operated by C. A. Gaddis of Portland route 6, and Nell Ward of Hillsboro, collided Tuesday on the Pacific Highway a mile south of Tigard, injuring three, according to a report filed with the sheriff's office. Mrs. Ward, Mrs. Gaddis and the latter's mother were listed as having sustained injuries.

BABSON SAYS

Continued from page 1

change of atmosphere brings a fresh viewpoint. A thorough rest from individual opportunities caparouline brings a new realization of life. No continent in the world has more beauty-spots or a finer climate than our own North America. The important point is to close your desk and toss your cars away for a week or two. Both as an employer and a worker, I have observed the vacation situation from all angles for thirty years. My conclusion is that a thorough change for a few weeks each summer is a good investment for every man and woman.

Local De Soto Dealer Reports Sale Increases

Indicative of business conditions in this area is the announcement just made by Bob Johnston of Johnston's Garage DeSoto and Plymouth dealers of Beaverton, of the increase in sales for DeSoto.

"An increase of more than 200% in the sales of 1937 models of DeSotos as an average for all Roy Burnett Motors associate dealers in Oregon and Washington, has been made," said Johnston.

"We have some reason to be proud of this record, as the average increase in sales of DeSoto over the entire nation is 145%," he continued. "These increases compare very favorably with the average increase in sales of all makes of automobiles in this area which is less than 15% and the average national increase which is 14%."

ETHEL C. TROWBRIDGE

Ethel C. Trowbridge was born in Waterville, Wash., on June 8th, 1904, and died in Portland, Oregon on June 11 1937. She had lived with her parents in and near Spokane, Wash., and Montana, and has resided the last few years in Beaverton. In August, 1922, she was married to Bruce Trowbridge. She is survived by her husband, six children, Clinton, Lella, Fernie, Dorlean, Wayne, and Baby brother, her parents Mr. and Mrs. Guy Currier, all living in Beaverton and also by two brothers.

The First Choice of Poultry Raisers

Good feed is indispensable to success in raising poultry for the market or for egg production. That's why so many experienced poultrymen in this community insist on the kind we supply. It's their first choice because it contains growth-building elements in correctly balanced proportions. Yet its cost is very moderate.
