West Portland

Continued from page 1

the upgrade. He has been plumbing the large new house nearly completed by J. W. Arnett at Greenleaf Acres, along Garden Home road. He did the plumbing on six other houses for Arnett in that vicinity. Warren is now finishing up the plumbing job for Mr. Throne at Twin Cedars Camp along Barbur Blvd. Last Saturday afternoon he finished the plumbing at Cherry Knoll camp, having put in a circulating heater system. He did that big plumbing job on the fine John-Manville house in Glencullen along Bertha-Beaverton highway. This has been open for inspection and particularly last Sunday quite a number of people took a look at the fine work. Watson Lumber Co. of Glencullen furnished the lumber for this fine seven room house that really is a landmark for the community.

When one enters West Portland school he is immediately impressed with particularly four features of importance: Orderliness thruout the school; the friendly courteous attitude of the teachers and pupils alike; strict attention to duty of the children; splendid cooperation of the hardworking P. T. A. with the school faculty. Because of these good points West Portland schools simply must be outstanding in achievements.

FOR SALE—\$2200 equity in improved 2 1/2 acre place, 5 rooms modern, good outbuildings, variety of fruit and berries. Will accept city house, ranch or timber. Quarter mile south of Garden Home postoffice on Royal avenue. R. H. Stewart, Garden Home, Oregon.

Washington County—Its Progress—My only interest. No other interest to serve.

Bruce Knowlton of the Bruce Knowlton Opera Co. has been preparing a presentation of Gilbert and Sullivan's largest and most brilliant opera, "The Gondoliers". The opera will be presented at the Turin Yavon auditorium, Wednesday evening. Mr. Knowlton, a local man, is the manager.

A reception for friends followed the ceremony, after which the couple left for a few days on a short wedding trip.

H. D. Kerkman

For Republican Nomination for

COUNTY JUDGE County Roads

I believe in and will vigorously support a progressive and well balanced program of road construction and maintenance. As a part of that program I will work with our legislative delegation to bring to the counties a greater portion of the revenue from gasoline tax. Our existing road system must not be permitted to deteriorate. Not only must we carry on an adequate maintenance program but there must be such improvement as will accommodate the growth in traffic conditions.

Taxation
to the lowest possible minimum. Efficiency in management of county affairs must be kept at the highest possible peak for in such efficiency is found the answer to the question of how we may reduce taxes.

State Highways
I shall continue to urge before the Oregon State Highway Commission the necessity of the early completion of the Wilson River and Wolf Creek highways and shall co-operate with the Commission to accomplish that result.

Old Age Assistance
I believe that more equitable and more adequate provision should be made for the care of elderly people but that the funds therefor should come from sources other than a real property tax.
