Economy with a Conservative Business Administration

For Republican Nomination for
COUNTY JUDGE

H. D. KERMAN candidate for the Republican nomination for County Judge has been a resident of Washington County for 20 years and a taxpayer since 1924.

For 8 years he has served as road district supervisor.

For the past 7 years he has been County Commissioner of this county and his record of service is an outstanding endorsement of his candidacy for County Judge.

LOOK AT HIS RECORD.

Taxation
The average tax millage has been 17.8% lower during his tenure on the county court than the average for the preceding period. He knows what it means to meet a tax bill and his efforts are always directed toward a reduction of the tax load on real property.

Roads
The road department of this county has been modernized in every particular during the period he has been County Commissioner. As a result road construction and maintenance costs have been greatly reduced. In some departments, such as rock production and hauling, the costs have been cut in half. He has given us more miles of better roads at lower costs.

Institutions
The County Home and Hospital is a model for that type of institution in this state. Inmates and patients receive excellent care at a figure lower than in any other county in the state.

Experience
H. D. Kerkman's years of experience as County Commissioner has given him an intimate knowledge of all the details of County Government. It has prepared him to assume the duties and responsibilities of County Judge with no loss of efficiency in county affairs.

Qualifications
He has the experience. He is capable. He is dependable.
