England's kings banned the game of cricket because they feared it would interfere with archery practice. "A dishonorable and useless game," Edward III denounced in 1365. Not until 1748 was the royal restriction lifted, although betting on the game was still deplored. With the Eighteenth century, cricket's popularity zoomed. Aristocratic clubs were formed. Nobility became "cricket" players.

... like the Sno Sheen cakes in the Motion Picture Cooking School?

When a cake appears in the movies, it has to be beautiful! It mustn't show any defects when it looms up large on the screen; must be so tempting that the audience will long to taste it. They're as good to eat as they are to look at!

Your cakes, too, will be a delight to the eye and to the palate if you use Sno Sheen—the super-fine cake flour that's featured in the Motion Picture Cooking School. Try a package—and you'll want to use it regularly for all your fine cakes!
