Safeway Stores, Inc.
Save Public Much

The Safeway Stores primarily
represents the idea of economy in
distribution. It has saved food pur-
chasers untold thousands of dollars
at the same time it has brought ad-
ditional benefits to the Pacific North-
west; namely the provision of greater
markets and better profits for pro-
ducers of food products.

Safeway Stores Inc. is an institu-
tion with a large capital and able to
enter the markets buying everything
at first costs, paying cash. Many
purchases being made directly from
the local farmer. From the central
buying and assembling establishment
much money is saved in moving the
goods to the stores as they have their
own trucking system which is highly
efficient and a great improvement
over the old method of getting a
small shipment here and there.

They feature high quality goods;
staple groceries from the leading
refineries and producers, canned
goods that are known the country
over, vegetables and fruits of the
highest quality, meats both fresh and
smoked from packers of reputation
and many specialists at all times of
the year. You can always know
what you want when you enter their
stores as their displays are such that
you can readily see something that
will appeal.

Safeway Stores, Inc. established 23
years ago, have grown from one store
to a vast organization covering 22
western states whose services are
becoming more and more popular
with the public as the progress of
time goes marching onward.

Babson Says---

Continued from Page 1

proposition because what wage fix-
ing we are now doing seems to be
meeting with a lot of approval—not
only from industrial workers but
particularly enough from farm work-
ers themselves.

Trouble Not with System

Frankly, I cannot understand why
we are giving up the principles
which made this country big and
great, namely a free market for
labor and commodities—including
farm products. The present de-
mand for fixed prices, pegged pay
scales, guaranteed security, and the
like will eventually ruin the United
States unless we return to a free
and unregulated economy. I am
America's Number One Advocate for
a return to the Ten Commandments
with free markets and free enter-
prise. Let nature take her course.
She can do a far better job in cor-
recting our troubles than can any
man-made laws or man-made unions!

Commercial Aircraft
Inc. Gives Best in
Flying Service

Our papers have always held fast to the contention that the progress of this section was determined in a large degree by the energy expended by its firms and individuals who are located here.

We have always been able to point with pride and lend weight to our contentions by citing some of the most outstanding companies who really have helped in their own particular field to build up this section of the northwest.

It is not an overstatement to say that Commercial Aircraft has been a decided asset to us. In addition to selling one of the most reliable and inexpensive types of planes they offer a course of instruction that will teach you to fly in the least possible time.

WHAT ARE YOUR
SUMMER PLANS

Let our free personalized service plan your trip. The New York Fair, San Francisco Fair, National Parks, Dude Ranches, Alaska, Honolulu, Panama Canal.

Drive your own car or go by bus, steamship (freighter), plane or train. For all reservations including hotels call or write to

able direction of Mr. St. Johns and the flying instructor is Captain Clark who was formerly with the army air service.

The Commercial Aircraft now has to offer the moderately priced and very efficient Stinson planes. As they always have done they are selling these planes on the automobile financing plan.

This writer had the pleasure to go up with Captain Clark recently and was shown how really easy it is to fly an airplane under modern conditions.

In order to get the latest details you may write Mr. St. Johns at the Swan Island Airport.

"HOT COPY" TO BE PRESENTED

Since "Hot Copy" has been brought to the front a find has really been made. It is a newspaper story portrayed by a cast of talented young people. It will be presented Friday, April 21 at the Beaverton High school.
