WHAT KIND OF SECURITY

More than a dozen bills are pending in Congress to amend the Social Security Act. These amendment proposals vary. Some of them would convert the social security program into something like the "ham and eggs" scheme hatched in California. Others would put the present program on a pay-as-you-go basis and revise the present scale of payroll taxes.

Very Nice Community

Of course you are one of the 94 per cent of the people who will say your community is a dandy one to live in and that you are proud to be a worker in the home town. . . . a booster for the community you claim the BEST. There's only six chances in a hundred that you're one of the six per cent who often knock a little here and there about doings of the community so we'll give you credit for being of the majority, but what are YOU REALLY DOING for your community?

Uncle Sam's Pocketbook

The official Daily Treasury Statement of April 7 showed the financial condition of the Treasury since July 1, 1938, to be: Expenditures \$7,011,037,580.44, Receipts \$4,463,685,894.87, In the hole \$2,547,351,685.57.

Hancock Distributor Visits Long Beach

Reversing roles H. F. Morrison, of Portland, head of Northwest Oil Company, distributor of Hancock petroleum products in Oregon and southern Washington, was the guest of John Hancock, executive of The Hancock Oil Company of California, when Morrison paid a visit to the oil company's headquarters in Long Beach. It was only last summer that Mr. Hancock, while on a fishing trip to the Northwest spent some time in the company of Morrison inspecting distribution properties and facilities in this section.

New Gymnasium Well Equipped

Esther M. Williams physical culturist, who lately opened for business Hillsdale Gymnasium at Hillsdale along Capitol Highway has installed some very appropriate equipment, including a modern electric steam cabinet to be used in steam baths and is part of the reducing program. One room is to be used for the ball game exercise and an eight pound ball is to be used by those needing this service. . . . just the thing for a lot of people. It might seem tough to have to do all these things Miss Williams prescribes, but it's all for the good of the person needing the exercise.

Iris in Bloom

Intermediate iris are in full bloom at Weed's Iris Gardens on Canyon road near Beaverton, where over 1000 varieties of iris and over 100,000 plants are spread over five acres of ground. The blossoming season is the earliest this year in many years. Main blooms of the tall bearded iris are expected in two weeks.

On Their Way Back to Health

Good care is helping to restore these youngsters to health. Tuberculosis associations are waging a nation-wide campaign this month to help find early tuberculosis.

Poor Drivers Cause Majority of Accidents

Three-fifths of all drivers involved in fatal accidents in Oregon last year boasted an otherwise clean record for the past seven years, Secretary of State Earl Snell announced this week. "It is a common misconception that a majority of all accidents, and especially fatal accidents, are caused by a few reckless drivers," Snell commented, "yet the fact that more than half the drivers in these fatal accidents are suffering their first mishaps indicate that they are responsible for many bad smash-ups."

CHRISTIAN SCIENCE CHURCH "Everlasting Punishment" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist on Sunday April 30. The Golden Text is "Shall not the Judge of all the earth do right?" (Gen. 18:25). Among the citations which comprises the Lesson-Sermon is the following from the Bible: "For he that soweth to his flesh shall of the flesh reap corruption but he that soweth to the Spirit shall of the Spirit reap life everlasting" (Rom. 6:8).
